- 1 AN ACT to renumber and amend 29.184 (1); to amend 29.024 (2) (d) and 29.184
- 2 (1) (title); and to create 29.184 (1) (intro.), 29.184 (1) (b) and 29.184 (6m) of the
- 3 statutes; relating to: bear hunting by certain minors.

Analysis by the Legislative Reference Bureau

Under current law, the department of natural resources (DNR) issues two types of bear hunting licenses. A Class A bear license allows the license holder to shoot and kill bear. A Class B bear license allows the license holder to assist a Class A license holder in pursuing bear, to bait bear, and to train dogs to pursue bear, but it does not allow the license holder to actually shoot at or kill bear. DNR administers a cumulative preference system for issuing Class A bear licenses if the number of applicants for the licenses exceeds the number of licenses available. The more preference points an applicant has, the higher priority he or she is given in the issuances of the Class A licenses.

This bill allows a person who is issued a Class A bear license to transfer that license to a person who is at least 12 years old but under the age of 18. The minor may then use the license to pursue, bait, and hunt bear as authorized by a Class A bear license. The bill provides that the minor may be the transferee of a Class A bear license only once during the time he or she is a minor. The transfer of a license to minor does not affect the number of preference points that the minor may have previously acquired under the cumulative preference system. The bill allows both residents and nonresidents to transfer Class A bear licenses and allows both residents and nonresident minors to be the transferees. No fee in addition to the
