

**ASSEMBLY SUBSTITUTE AMENDMENT 2,
TO 2003 ASSEMBLY BILL 344**

AN ACT *to create* 36.25 (46) and 252.09 of the statutes; **relating to:** requiring college students to be informed about meningococcal disease and hepatitis B and requiring colleges to maintain certain records about the vaccination status of students.

Analysis by the Legislative Reference Bureau

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 1 **SECTION 1.** 36.25 (46) of the statutes is created to read:
- 2 **36.25 (46)** MENINGOCOCCAL DISEASE AND HEPATITIS B. (a) The board shall do all
- 3 of the following:
- 4 1. Annually, provide detailed information on the risks associated with
- 5 meningococcal disease and hepatitis B and the availability and effectiveness of

1 vaccines against the diseases to each enrolled student, if he or she is at least 18 years
2 old, or to the student's parent or guardian, if the student is a minor.

3 2. Require a student who resides in a dormitory or residence hall, or the
4 student's parent or guardian if the student is a minor, to affirm that the student
5 received the information under subd. 1.

6 3. Require a student who resides in a dormitory or residence hall to affirm
7 whether he or she has received the vaccination against meningococcal disease and
8 to provide the date of the vaccination, if any.

9 4. Require a student who resides in a dormitory or residence hall to affirm
10 whether he or she has received the vaccination against hepatitis B and to provide the
11 date of the vaccination, if any.

12 5. Maintain a confidential record of the affirmations and the dates of the
13 vaccinations of each student under subds. 3. and 4.

14 (b) Nothing in this subsection requires the board to provide or pay for
15 vaccinations against meningococcal disease or hepatitis B.

16 **SECTION 2.** 252.09 of the statutes is created to read:

17 **252.09 Meningococcal disease and hepatitis B. (1)** Each private college
18 and university in this state shall do all of the following:

19 (a) Annually, provide detailed information on the risks associated with
20 meningococcal disease and hepatitis B and the availability and effectiveness of
21 vaccines against the diseases to each enrolled student, if he or she is at least 18 years
22 old, or to the student's parent or guardian, if the student is a minor.

23 (b) Require a student who resides in a dormitory or residence hall, or the
24 student's parent or guardian if the student is a minor, to affirm that the student
25 received the information under par. (a).
