

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO 2003 ASSEMBLY BILL 344**

June 11, 2003 – Offered by COMMITTEE ON COLLEGES AND UNIVERSITIES.

1 **AN ACT** *to create* 36.25 (46) and subchapter V of chapter 39 [precedes 39.81] of
2 the statutes; **relating to:** requiring certain college students to be informed
3 about meningococcal disease.

Analysis by the Legislative Reference Bureau

This substitute amendment differs from 2003 Assembly Bill 344 by requiring only that the college or university provide detailed information on the risks associated with meningococcal disease and the availability and effectiveness of vaccines against the disease.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 36.25 (46) of the statutes is created to read:
5 36.25 **(46)** MENINGOCOCCAL DISEASE. The board shall provide detailed
6 information on the risks associated with meningococcal disease and the availability
7 and effectiveness of vaccines against the disease to each student, if he or she is at

1 least 18 years old, or to the student's parent or guardian, if the student is a minor,
2 before the student's initial occupancy of a dormitory or residence hall.

3 **SECTION 2.** Subchapter V of chapter 39 [precedes 39.81] of the statutes is
4 created to read:

5 **CHAPTER 39**

6 **SUBCHAPTER V**

7 **PRIVATE COLLEGES AND**

8 **UNIVERSITIES**

9 **39.81 Meningococcal disease.** Each private college or university shall
10 provide detailed information on the risks associated with meningococcal disease and
11 the availability and effectiveness of vaccines against the disease to each student, if
12 he or she is at least 18 years old, or to the student's parent or guardian, if the student
13 is a minor, before the student's initial occupancy of a dormitory or residence hall.

14 **SECTION 3. Initial applicability.**

15 (1) This bill first applies to students occupying a dormitory or residence hall on
16 the effective date of this subsection.

17 **(END)**
