analysis

With certain exceptions, current law requires a technical college district board to hold a referendum if it intends to make a capital expenditure in excess of \$1,000,000. The requirement does not apply to <sup>a</sup> capital expenditures ~~for~~ an applied technology center if the state Technical College System Board approves, the total amount <sup>of the expenditure</sup> is no more than \$5,000,000, and the expenditure is made before July 1, 2003. This bill extends this ~~later~~ date to July 1, 2005.
