Tim:

I'll enter your request for a redraft of AB 695. Do you want the redraft to incorporate assembly amendment 1 (LRBa1055)?

2003
2001 ASSEMBLY BILL 695A

January 4, 2002 - Introduced by Representatives FRISKE, AINSWORTH, LOEFFELHOLZ, GARD, SERATTI, OTT, MONTGOMERY, VRAKAS, GUNDRUM, GUNDERSON, McCORMICK, OWENS, POWERS, KRAWCZYK and HINES, cosponsored by Senators BRESKE and WELCH. Referred to Committee on Rural Affairs and Forestry.

1 AN ACT to amend 28.05 (1); and to create 28.045 of the statutes; relating to:
2 educational requirements for foresters employed by the department of natural
3 resources and persons authorized to designate trees for cutting in state forests.

Analysis by the Legislative Reference Bureau ^{hired}

* This bill requires every forester who is employed by the department of natural resources (DNR) to have received a bachelor's or higher degree in forestry from a school of forestry with a curriculum accredited by the society of American foresters or an equivalent degree from a school located in another country. The educational requirements of this bill only apply to newly hired foresters. Current statutes do not require foresters employed by DNR to satisfy specified educational requirements.

* Under current law, before a tree may be cut in a state forest, it must be marked by a forester who is in the professional series of the state classified civil service or by a DNR employee who is equally qualified due to having long, practical experience in marking trees for cutting. Under the bill, the marking must be done either by a forester employed by DNR or an individual who DNR determines to be qualified and who is under the oversight/supervision of a DNR forester.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
