 2 (9) of the statutes; **relating to:** housing of county prisoners from Michigan in
 3 Wisconsin county jails.

Analysis by the Legislative Reference Bureau

Under current law, county jails have the authority to use the county jail to detain certain persons, including those charged with a crime, committed pursuant to a sentence to the county jail or a state penal institution; persons participating in the intensive sanctions program; and persons who are in the custody of the Department of Corrections. This bill allows county jails to detain persons who are detained by a county that borders this state and is located in the state of Michigan if the counties involved enter into an interstate cooperation agreement that takes into account all the requirements of Wisconsin law regarding the detention of persons in county jails.

For further information see the **local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
