Joe,
Rep. Ladwig is interested in doing an amendment to Assembly Bill 48 that addresses the problems mentioned below. She agrees that we should add something that states that local municipalities must have the info in by the 1st of December (amendment to the legislation) and then, actual tax bills must be mailed no later than the third Monday in December (already in the legislation). Would you mind drafting that when you have the chance? She is not sure if it will be her amendment or a committee amendment. Thanks so much! Please let me know if you have any questions.

Racine County's IS Director, Rob Richardson, and the Real Property Lister, Pat Harmann, have a suggestion for improving AB 48. They are concerned because the bill puts a deadline on them to get the bills out, but not on the municipalities who provide them with the information they must have to prepare those bills. They would be happy to explain the experiences that have led them to believe that this is necessary. Rob can be reached at robr@racineco.com or 262-636-3833 and Pat at patha@racineco.com or 262-636-3832.
