ARTICLE XIII

NO STRIKE OR LOCKOUT

Section 1

13/1/1 Inasmuch as this Agreement provides machinery for the orderly resolution of disputes which relate to this Agreement by an impartial third party, the Employer and Union recognize their mutual responsibility to provide for uninterrupted services. Therefore, for the duration of this Agreement:

13/1/2 The Union agrees that neither it, its officers, agents, representatives or members, individually or collectively, will authorize, instigate, cause, aid, condone, or take part in any strike, work stoppage, sit down, stay-in, slowdown or other concerted interruption of operations or services by employees (including purported mass resignations or sick calls) or any concomitant thereof. The Union agrees that the Employer has the right to deal with any such strike activity by:

- A. Imposing discipline, including discharge or suspension without pay on any, some or all of the employees participating therein, and/or on any, some, or all of the leaders of the labor organization who so participate, as the Employer may choose;
 - B. Canceling the civil service status of any employee engaging therein;
- C. Seeking an injunction and/or requesting the imposition of fines either against the Union and/or the employee(s) engaging therein, and/or suing for damages because of such strike activity.

13/1/3 When the Employer notifies the Union by certified mail that any of its members are engaged in any such strike activity, the Union will immediately, in writing, order such employees to return to work, provide the Employer with a copy of such order by certified mail within twenty four (24) hours of receipt of the notification from the Employer, and a responsible officer of the Union will publicly order the striking employees to discontinue such conduct through the medium of local newspapers and/or local radio. Failure of the Union to take such action will be considered in determining whether or not the Union caused or authorized, directly, or indirectly, the strike. This clause is not subject to the arbitration provisions of this Agreement but will be enforced by the ordinary processes of law.

13/1/4 The Employer agrees that neither it, its officers, agents or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout. If a lockout does, in fact, occur, all affected employees will be paid for such period of time at their regular rate of pay for time lost from work due to the lockout.

Section 2

13/2/1 In the event a dispute arises between the parties hereto with respect to whether or not the Union or any of its officers, agents or representatives, has caused or authorized, either directly or indirectly, a strike, work stoppage, sit-down, stay-in, slowdown or other concerted interruption of operations or services by employees, or in the event of a dispute arising as to whether or not the Employer has locked out employees, such disputes will be settled as provided in Article IV of this Agreement. This Section shall not affect the right of the Employer to deal with any strike activity pursuant to Section 1 of this Article.

ARTICLE XIV

GENERAL

Section 1 Obligation to Bargain

Agreements, written or verbal. The parties agree that the provisions of this Agreement shall supersede any provisions of the rules of the Administrator and the rules of the Secretary relating to any of the subjects of collective bargaining contained herein when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union for the life of this Agreement, and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 2 Partial Invalidity

14/2/1 Should any part of this Agreement or any provision contained herein be declared invalid by operation of law or by any tribunal of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

Section 3 Definition of Probationary Employee

14/3/1 The term "probationary employee" as used in this Agreement relates to all employees serving on a probationary period as defined below. All original and all promotional appointments to permanent, sessional and seasonal positions in the classified service shall be for a probationary period of six (6) months, except as specifically provided in s. 230.28, Wis. Stats., and ch. ER-MRS 13, Wis. Admin. Code, in the cases of trainees, intern classes, reinstatement, transfer, and demotion, or where longer probationary periods are authorized.

14/3/2 The inclusion of this Section in the Agreement is for informational purposes only and does not constitute bargaining with respect to the subject matter of this Section. Further, any amendment to the aforementioned law or rule governing probationary periods will require an immediate amendment to this Section.

Section 4 Retroactivity

14/4/1 No provision of this contract will be retroactive unless specifically so stated.

ARTICLE XV

TERMINATION OF AGREEMENT

15/1/1 Except as otherwise provided herein, the terms and conditions of this Agreement shall continue in full force and effect commencing May 17, 2003, and terminating on June 30, 20035, unless the parties mutually agree to extend any or all of the terms of this Agreement. Upon termination of the Agreement, all obligations under the Agreement are automatically canceled, except that the provisions of the grievance procedure shall continue in effect for such period of time as is necessary to complete the processing of any grievance presented prior to the termination of the Agreement.

NEGOTIATING NOTE #1 2001-2003-2003-2005 AGREEMENT

NEGOTIATING NOTE #2 2001-20032003-2005 AGREEMENT

NEGOTIATING NOTE #3 2003-2005 AGREEMENT

It is further agreed that retires and laid off employees will be eligible to receive any lump sum payments to which they would have otherwise been entitled but for the delay in implementation of this Agreement.

MEMORANDUM OF UNDERSTANDING #1

1999-2001 AGREEMENT

Electronic Job Information System

DATE:

February 22, 2000

TO:

Art Foeste, President

Wisconsin Professional Employees Council

FROM:

Peter D. Fox, Secretary

SUBJECT:

Development of an Electronic Job Information System

During negotiation of the 1999-2001 WPEC Agreement, there has been ongoing discussion between the parties regarding development of an electronic job information system (EJIS). While WPEC's EJIS proposals to date have limited this system to WPEC vacancies, I believe that such a system would benefit all current state employees, as well as other persons interested in civil service employment. As such, I am committed to the development and implementation of a system that will include all civil service vacancies and is available on a statewide basis to all interested individuals.

To that end, I will be establishing a Joint Task Force to be convened no later than April 15, 2000. The charge of this Task Force will be to create a model EJIS and submit recommendations for its implementation to the Department of Employment Relations (DER). The Task Force will be composed of one representative appointed by each parent union and an equal number of Employer representatives. Representatives appointed by the various unions to serve on this Task Force will do so without loss of pay.

At a minimum, the EJIS should include the following major components:

1. One central location which is easily accessible by persons interested in a civil service position;

2. Positions posted on DER's current website (i.e., positions contained in the Current Opportunities Bulletin and the State Employee Promotional and Transfer Job Opportunities Bulletin) and all

permanent represented vacancies will be posted on the one central location;

115

3. All relevant information necessary for the application process will be provided for each posted vacancy.

The Task Force will submit its EJIS model and recommendations for implementation to the Secretary of DER no later than August 1, 2000. The Secretary of DER or designee will review the recommendations of the Task Force and, if modifications are necessary, will return the recommendations to the Task Force no later than September 15, 2000. If returned to the Task Force, the Secretary will also specify a date by which the modifications will be completed. If no modifications to the Task Force recommendations are required by the Secretary, the EJIS will be implemented as soon as administratively feasible within existing resources and available funding.

As you have recognized during discussions at the bargaining table, such a system will require careful planning and development. I believe that allowing a Joint Task Force to create the EJIS will result in a system that is beneficial to both the Employer and the Union.

MEMORANDUM OF UNDERSTANDING #2 2001 – 20032003-2005 AGREEMENT

MEMORANDUM OF UNDERSTANDING #3 2001-20032003-2005 Agreement

Employee Medical Certification Information

During the course of negotiations for the 2001-2003 Agreement, concerns were raised regarding

treatment of employee medical certification information.
In an effort to address these concerns, the parties agree to form a joint Management and Union
committee to exchange information, discuss the issue, and develop guidelines for distribution to agencies. The
committee will be comprised of three (3) members each from the Union and Management. The committee
members will attend the joint committee meetings without loss of pay.

It is hereby agreed that it is in the best interest of both the Wisconsin Employees Council and the State of Wisconsin that records regarding employee health be managed in such a manner as to both protect employee rights of privacy and to meet the needs of the employer. It is also agreed that uniform practices across state agencies are important for appropriate records management. Accordingly, it is agreed that a Committee for Employee Health Information shall be established to examine the management of employee health information. The Committee shall consist of three members appointed by the Union and three members appointed by the Employer. The Committee members will attend joint committee meetings without loss of pay.

The Committee shall examine and make recommendations regarding:

- 1. The nature of employee health information collected by the employer; the circumstances under which the information is collected; the state and federal statutory and rule requirements concerning Employee health information; and the type of authorizations that must be provided by employees for release of information to the Employer.
 - 2. The nature and levels of controls on access to the health information.
- 3. <u>Uniform policy regarding management and release of Employee health information held by the Employer.</u>
- 4. Uniform policy regarding protection of Employee privacy regarding health information held by the Employer.

5. <u>Uniform policy regarding the qualifications of the persons analyzing the Employee health information for purposes of making judgement about the capabilities of the Employee.</u>

The Committee will submit its recommendations for implementation to the Director, Office of State Employment Relations (OSER) not later than September 1, 2004. The Director, OSER or designee will review the recommendations of the Committee no later than October 15, 2004. If returned to the Committee, the Director, OSER will also specify a date by which the modifications shall be reviewed and a recommendation resubmitted. Once the recommendations are acceptable to the Director, OSER, a plan of implementation will be developed within 90 days.

MEMORANDUM OF UNDERSTANDING #4 2001-20032003-2005 AGREEMENT

Parking/Public Transit Account

It is possible that, during the life of this Agreement, the Department of Employee Trust Funds (DETF) will develop an account system similar to or part of the Employee Reimbursement Account (ERA) Program that will allow state employees to pay for work-related parking and transit on a pre-tax basis. The Employer and Union agree that if such an account system is developed and implemented, employees covered under this Agreement will be allowed to participate in the system. By agreeing to allow such participation, the Employer and Union also agree that all dates, rules and conditions established by the DETF for the system's implementation and administration will apply.

MEMORANDUM OF UNDERSTANDING #5 2001-2003 AGREEMENT

SPECIAL AGENT PROGRESSION PLACEMENT

During negotiation of the 2001-2003 Agreement, concerns were raised regarding placement of the Special Agents upon classification reassignment to pay range 07-30. For that reason, the parties agree that the Department of Justice (DOJ) will re-assess the placement of Special Agents hired prior to January 1, 2001. The basis of that re-assessment will be relevant law enforcement experience as outlined in the DOJ HAM justification used in January, 2001. Based on the re-assessment, the affected Special Agents will be placed at the appropriate level in pay range 07-30, effective June 30, 2002. Affected Special Agents will also receive a lump sum payment equal to the increase received under the re-assessment, multiplied by the hours in pay status from July 1, 2001, through June 29, 2002.

MEMORANDUM OF UNDERSTANDING #6 2001-2003 AGREEMENT

SPECIAL AGENT & EXCISE TAX AGENT PAY PROGRESSION

— During negotiation of the 2001-2003 Agreement, concerns were raised regarding continuation of the pay
progression system for pay range 07-31, Special Agent-Senior and Excise Tax Agent-Senior.
The pay range 07-31 pay progression sunsets on June 30, 2003, regardless of extension of the
Agreement, unless the parties mutually agree otherwise.
- It is the Employer's intent, however, to continue to fund this pay progression system in future collective
bargaining Agreements, assuming the parties negotiate such a provision, contingent on the availability of
sufficient general purpose revenue funds in the Compensation Reserve.

MEMORANDUM OF UNDERSTANDING #7 2001 – 2003 AGREEMENT

CALCULATION OF VACATION HOURS DUE TO DELAY IN AGREEMENT IMPLEMENTATION

- A. The parties agree that vacation hours shall be granted to exempt employees for the period beginning July 1, 2001 to the effective date of the Agreement. Except as noted in B. and C., below, an exempt employee in pay status as of the effective date of this Agreement will receive vacation hours equal to what would have been received under the new exempt vacation schedule shown in Article 12/5/2, for all hours in pay status in a WPEC classification from July 1, 2001, to the effective date of the Agreement, minus the amount actually received for that time period.
- B. Eligible exempt employees on leave of absence from a bargaining unit position during the period July 1, 2001 to the effective date of the Agreement, will not receive vacation hours under A., above, until they return to pay status in an eligible position during the term of this Agreement.
- C. Exempt employees who were laid off from a bargaining unit position during the period July 1, 2001 to the effective date of the Agreement will receive a lump sum payment for the value of vacation hours calculated under A., above, for hours in pay status in a WPEC classification from July 1, 2001 to the date of layoff.
- D. Vacation hours calculated under A., above, will be credited as termination/sabbatical leave and recorded on employee check stubs as soon as administratively feasible. Such hours will be credited as termination/sabbatical leave even if an employee is not eligible for termination/sabbatical leave pursuant to other provisions of this Agreement.

MEMORANDUM OF UNDERSTANDING # 8 2003-2005 AGREEMENT

PILOT PROGRAM FOR STEWARD/GRIEVANCE REPRESENTATIVE TRAINING

The Employer and the Union understand the importance of trained supervisors and grievance representatives in the administration of the collective bargaining agreement. The Agreement is best administered when both supervisors and steward/grievance representatives understand their rights, roles, responsibilities and limitations. The state offers basic and advanced labor relations training to its supervisors to assist them in appropriately and fairly administering the Agreement. It is in our mutual interest that union steward/grievance representatives also be properly trained to fulfill their role as it relates to contract interpretation and administration. In furtherance of that mutual interest, the Employer and the Union agree to support a pilot program for the training of Steward/Grievance Representatives.

Annually, up to twenty (20 union stewards will be allowed up to eight (8) hours without loss of pay to attend steward training. The employees must give the employing unit fourteen (14) calendar days advance notice of their attending this training. Management may deny attendance based on operational needs. The union may request and the Employer may allow additional union stewards, beyond the limits specified above, to attend steward training without loss of pay.

Training curriculum will be developed by the Union and shared with OSER four weeks prior to the start of training. OSER concerns with the training curriculum will be discussed between the parties.

Instructors will be selected by the Union. A list of attendees will be provided to OSER within two weeks following the session.

The pilot program will be jointly evaluated by the Employer and Union to determine if it meets their mutual interests. It is of special interest to the Employer that there be sufficient, qualified union stewards at various work sites to help minimize issues of timeliness or lost work time due to the potential limited availability of stewards. This Memorandum of Understanding sunsets on June 30, 2005, regardless of contract extension, unless the parties mutually agree to extend.

MEMORANDUM OF UNDERSTANDING # 9 2003-2005 Contract

REINSTATEMENT ELIGIBILITY AND RESTORATION RIGHTS FOR EMPLOYEES LAID OFF DURING THE 2003-2005 FISCAL BIENNIUM DUE TO AGENCY ELIMINATION OR TRANSFER OF FUNCTIONS TO ANOTHER STATE AGENCY

Employees laid off during the 2003-2005 fiscal biennium because the state agency at which the person was last employed is eliminated or because the functions performed by the person are transferred to a different state agency, shall have reinstatement eligibility according to 8/5/1 of the agreement and restoration rights according to 8/4/1-8/4/6 of the agreement to the state agency to which the functions previously performed by the person are transferred.

MEMORANDUM OF UNDERSTANDING # 10 2003-2005 AGREEMENT

CONTRACTING OUT

During the course of negotiations for the 2003-2005 Agreement, concerns were raised by the union regarding contracting out for services under chapter 16 procurement procedures. As part of ensuring fiscal responsibility in state government, the state is committed to managing contracts for services in a manner consistent with the best interests of the state as a whole. It is essential that the state comply with relevant statutes, administrative rules, DOA procurement policies, and collective bargaining agreements when contracting for services. The state wishes to give effect to the letter and intent of those statutes, rules, procedures, and agreements while continuing to streamline procurement procedures so as not to unduly delay the performance of state services. In an effort to address these concerns, the parties agree to the following:

- 1) DOA will develop a shared format to be used by all agencies to track the purchase of contracted services. If a centralized, electronic procurement system becomes available during the biennium, that system may be substituted. Information gathered in this manner will be shared by agencies with the union on an annual basis. This shared format will be developed and distributed to agencies not later than March 1, 2004.
- 2) State agencies will abide by current state procurement policies and collective bargaining agreements regarding notice of contracting out to unions. In addition to providing notices currently required by existing statutes,

rules and procedures, a notice will be issued to the union for all vendor-managed service contracts no later than 5 working days prior to the each service engagement. This notice will include the type of services to be performed and a justification of need consistent with the requirements of the DOA Procurement Manual. If unforeseen circumstances prevent the issuance of the notice 5 working days prior to the service engagement, a notice will be issued as soon as possible consistent with business needs.

- 3) DOA will issue a memorandum to agencies by January 2, 2004, clarifying the process that is required to be followed when a request for purchasing authority is issued and when the delegated contract process is followed, consistent with relevant statutes, administrative rules, procurement policies, and collective bargaining requirements. This memorandum will emphasize the importance of providing timely notice to affected labor organizations at the appropriate points in the process, and the importance of preparing a justification of need for contracted services that includes a statement showing why the services can be performed more economically or efficiently by contract rather than by current state employees or by hiring permanent, project, or limited term employees.
- 4) Over the term of this contract, DOA will coordinate a review of two specific contracts that are for work performed by this union and that are identified by the union. The information technology services contract will not be eligible for this review, although individual hires off of the contract may be reviewed. This pilot review will analyze available documentation regarding the procurement process used, scope, term, and cost of the contract, information submitted by the union that bears on the contract, and other relevant factors. Upon completion, DOA will meet with the union to discuss the results of its review.
- An advisory group will be established and comprised of five management members and five union members for the purpose of advising the DOA secretary, by July 1, 2004, on the procurement of services that are normally performed by bargaining unit members. The Wisconsin Professional Employees Council shall be granted at least one of the five union membership seats on this advisory group. Advisory group members will attend meetings of the group without loss of pay. The advisory group may forward consensus recommendations to the DOA secretary on the following issues:
- a) the relevant factors to be considered in preparing the justification of need required under current procurement procedures;
 - b) the preparation of accurate, economical, efficient and effective analyses;
- c) consideration of whether procurement statutes, rules, policies and procedures need to be modified to ensure that appropriate analysis can be performed without unduly delaying the performance of state services; and
 - d) procedures to ensure agency compliance with union notification requirements.

The advisory group may provide consensus recommendations, if any, to the DOA secretary by July 1, 2004. The DOA secretary will meet with the advisory group to discuss its recommendations.

This Memorandum of Understanding sunsets on June 30, 2005, regardless of contract extension, unless the parties mutually agree to extend.

AGREEMENT BETWEEN THE STATE OF WISCONSIN AND WISCONSIN PROFESSIONAL EMPLOYEES COUNCIL

EMPLOYEES ELECTED OR APPOINTED AS PRESIDENT OF AFL-CIO LABOR BODY OR PRESIDENT OF AFT WISCONSIN

The purpose of this Agreement between the State and WPEC is to preserve salary and salary-generated benefits of state employees who are elected or appointed as the president of an AFL-CIO central labor body or the AFT Wisconsin organization and to fully reimburse the state for its costs of the salary and salary-generated

benefits for the time spent by those employees during that elected or appointed period.

The State of Wisconsin hereby agrees to continue base pay and benefits for any employee who is elected or appointed as the president of an AFL-CIO central labor body or AFT Wisconsin organization and who is granted a leave of absence without pay to serve in such position pursuant to Article XII, Section 12/7/8 of the 2003-2005 Agreement. Other provisions of 12/7/8 shall remain in effect.

Continuation of this Agreement is contingent upon the Wisconsin Professional Employees Council (WPEC) reimbursing affected agencies for salary and salary-generated benefit costs attributed to the employee(s). The amount of reimbursement each pay period will be based on the employee(s)'s base hourly rate plus the additional hourly benefit rate to cover the full cost to the state of each employee's payroll and fringe benefits as determined by the individual's Central or University of Wisconsin Payroll deductions for A, B, and C payrolls, respectively.

The obligation for the continued payment by the state agencies of salary and benefits to the state employees elected or appointed as the president of an AFL-CIO central labor body or AFT Wisconsin organization is contingent upon reimbursement to those agencies by WPEC and with compliance of the following procedures:

- 1. This Agreement shall apply only to employees elected or appointed as the president of an AFL-CIO central labor body or the AFT Wisconsin organization in accordance with 12/7/8 of the collective bargaining agreement. Upon each such occasion, the Union President will provide the Office of State Employment Relations (OSER) with the following information: name of employee(s), agency where employed, date(s) on which the employee will be absent to participate as president.
- 2. The affected state agency shall maintain the employee in pay status not to exceed eight (8) hours per scheduled work day for all days in each work week during a pay period in which the employee is on leave under Section 12/7/8.
- 3. WPEC shall certify, in writing to OSER at the conclusion of each pay period in which an employee was engaged in union business pursuant to this Agreement, the total amount of reimbursement due to each of the affected agencies for that pay period. Agencies will reconcile these amounts and notify OSER who will, in turn, notify WPEC of any discrepancies.
- 4. WPEC shall reimburse each individual state agency by delivering to OSER a check for each such agency in the amount certified by OSER. Reimbursement by WPEC for each biweekly period shall be made no later than the Wednesday before the date of issue of affected employees' paychecks for each pay period. In the event reimbursement is not received on or before Wednesday, employee paychecks will not be issued until appropriate adjustments can be made to reflect a change to Leave Without Pay Status for time spent during the pay period.
- 5. Disagreements by WPEC about the amounts certified by OSER shall not be grounds for withholding, delaying, or reducing payments to the state agencies.
- 6. Failure by WPEC to reimburse the amounts as certified by OSER to any agency within the time limits set by this Agreement shall void this Agreement and release the State and its agencies from any further obligation under this Agreement to maintain the pay status for designated employees while engaged in union

business, and the obligations of the State under this Agreement will not be restored by tender of reimbursement by WPEC at any later date or by collection by the State.

This Agreement is effective upon execution by the parties and will terminate on June 30, 2005, unless modified or extended by mutual consent of the parties.

If the employee's present rate of pay exceeds the new pay range maximum, it shall be red circled.

HI. Pay on Reclassification and Reallocation

- 1. Except as provided in B./3./d. of Appendices J & K of this Agreement and 2., below, pay on regrade as a result of reclassification or reallocation will be in accordance with s. ER 29.03(3), Wis. Admin. Code, except that an employee reclassified or reallocated to a classification in a higher pay range will receive an increase in the amount of eight percent (8%) of the pay range minimum or the minimum of the pay range, whichever is greater.
- 2. Regraded employees whose positions are reclassified or reallocated to a classification assigned to a higher appointment maximum or higher classification series level within the same pay range will receive an increase in the amount of eight percent (8%) of the pay range minimum, subject to the new appointment <u>pay range</u> maximum.

4J. Pay on Reinstatement or Restoration

Pay on reinstatement or restoration will be set in accordance with s. ER 29.03(6) or (7), Wis. Admin. Code, respectively, with the following exception. If the appointment maximum corresponding to the position to which the employee is reinstating or restoring is greater than the last rate received plus intervening adjustments, as determined under the applicable section of ch. ER 29, Wis. Admin. Code, the appointing authority may set the employee's pay at a rate not to exceed the appointment maximum. Refer to Section 5./I for the treatment of Discretionary Compensation Adjustments when determining an employee's pay on reinstatement or restoration.

JK. Pay on Movement of Classification to a Higher Appointment Maximum

Employees whose positions are allocated to a classification that is moved to a higher appointment maximum within the same pay range will receive an increase in the amount of eight percent (8%) of the pay range minimum, subject to the new appointment pay range maximum.

KL. Reporting Requirements

- 1. Agencies will provide a Pay on Appointment Report as required by <u>DEROSER</u>. Information provided on this report will include the following:
 - a. Agency name and number
 - b. Employee name
 - c. Employee classification title
 - d. Salary prior to adjustment (excluding Pay on Original Appointment)
 - e. Salary after adjustment
 - f. Employee seniority date
 - g. Effective date of the appointment
- 2. <u>DOS</u>ER will provide the Union office with the Pay on Appointment Report on a quarterly basis within forty-five (45) days of the end of the quarter, and in electronic format. <u>DOS</u>ER will meet with WPEC to review the Pay on Appointment quarterly report.

Section 5 Discretionary Compensation Adjustment

- A. Granting of Adjustments. Discretionary Compensation Adjustments (DCAs) will be granted at the sole discretion of the appointing authority.
- **B.** Concept. The DCA is intended to provide the appointing authority with the discretion to provide employees with additional economic recognition. The appointing authority shall only grant DCA's in accordance with the following criteria. The criteria must be applied in a non-discriminatory manner. Written justification must be provided to substantiate the adjustment.
- 1. Significant and permanent changes in job duties: This shall be defined as newly assigned duties, or duties which were an evolution of the originally assigned functions and which are of a greater scope, impact, and/or complexity compared to the previous functions.
- 2. Pay Equity: This shall be defined as when the employee is determined to have a salary that is lower than other employee(s) in the same classification performing the same type of work.

3. Retention: This shall be defined as the knowledge base or skill sets an employee utilizes which, if lost, would disrupt operations and/or be costly to replace.

C. Amount.

- 1. Except as provided in 3., below, the DCA may be granted in any amount up to four (4) within range pay steps, subject to the maximum of the pay range. The DCA may be granted as a base pay adjustment and/or in a lump sum dollar amount.
- 2. An employee may receive more than one DCA during the fiscal year, however, the total amount granted in the form of DCAs in the fiscal year may not exceed an amount equal to four (4) within range pay steps, except as provided in 3., below. The DCA four (4) within range pay step limit per fiscal year per employee includes DCAs granted by one agency or by multiple agencies. For the purpose of applying the four (4) within-range step limitation, lump sum Discretionary Compensation amounts will convert to base pay equivalents as follows: the lump sum Discretionary Compensation amount, divided by the number of standard work hours in the fiscal year, equals the base pay equivalent.
- 3. In exceptional circumstances, an agency Secretary may submit a request to the Secretary of DER Director of the Office of State Employment Relations to exceed the four (4) within range pay step limit specified in 1. and 2., above. This request must be accompanied by comprehensive justification. If approved by the Secretary Director of DOSER, the request will be forwarded to the Secretary of the Department of Administration (DOA) for final approval. Approval of both the DOSER Director and DOA Secretariesy must be obtained prior to awarding any DCAs which exceed the four (4) within range pay step limit.
- D. Effective Date. DCAs may be granted at any time during the fiscal year. The effective date of an adjustment will be the beginning of the first pay period following effective receipt of the DCA recommendation.
- **E.** Agency Administration. Agencies must develop administrative procedures which will be used to grant DCAs prior to award of any DCAs. No agency or university campus may award DCAs until its procedures have been reviewed by <u>DOSER</u>. Information regarding each agency's procedures will be provided to covered employees in that agency annually.

F. DCA Advisory Group

- 1. Each agency or university campus with WPEC represented broadbanded employees will establish a DCA Advisory Group. Each DCA Advisory Group will consist of not more than two (2) management representatives and two (2) union representatives. The union will select the two (2) union representatives to serve on the Advisory Group, who must be broadbanded employees or a union steward, employed within the agency or university campus. The union will keep the Employer informed of bargaining unit Group members in each agency or university campus. Absent selection of union representatives, no Advisory Group will be formed in that agency or university campus.
- 2. The purpose of the DCA Advisory Group is to independently review DCA recommendations proposed under the provisions of this collective bargaining Agreement and advise the appointing authority as to whether the agency's DCA criteria have been met. The Advisory Group may not comment on the amount of the proposed DCA or recommend that additional DCAs be awarded. This Group will function in an advisory capacity only. The appointing authority or his/her designee has the sole discretion to approve or deny award of DCAs.
- 3. The management designee as determined by the appointing authority, will forward DCA recommendations to DCA Advisory Group members for review prior to submittal to the appointing authority for decision. Documentation provided to Group members for review will be that which is required by the agency's DCA process. A management representative will chair the DCA Advisory Group. The DCA Advisory Group will meet or teleconference for discussion purposes at times coordinated by the Group chair. The chair will determine the amount of time in which the Advisory Group will provide a written response. Whenever feasible, the Advisory Group will be given five (5) working days after receipt of documentation for review. The chair will provide the written response from the Advisory Group to the appointing authority. Group comments shall be taken into consideration by the appointing authority. Bargaining unit Group members may request use of work time to review DCA recommendations.

G. Reporting Requirements.

1. Agencies that grant DCAs will provide reports as required by <u>DOSER</u>, including a DCA Recommendation Report. Information provided on this report will include the following:

- a. Agency name and number
- b. Employee name
- c. Employee classification title
- d. Amount of DCA
- e. Employee salary prior to DCA
- f. Employee salary after DCA
- g. Employee seniority date
- h. Applicable criteria
- i. Effective date of the award
- 2. <u>DOS</u>ER will provide the Union office with the DCA Recommendation Report on a quarterly basis within forty-five (45) days of the end of the quarter, in electronic format. <u>DOS</u>ER will meet with WPEC to review the DCA quarterly report.
- 3. Copies of the written DCA justification will be retained on file at the awarding agency, and will be available upon request of the Union.
- H. Funding. The DCA is not considered a "salary adjustment" for which supplemental allotments may be provided under s. 20.865, Wis. Stats.
- I. DCAs will not be considered an intervening adjustment for purposes of determining an employee's pay on reinstatement or restoration.
- J. At the annual performance review, an employee may discuss with the supervisor the employee's opportunity for DCAs.
 - K. Employees may self-nominate to their supervisor no more than once per fiscal year.

TRAVEL GUIDELINES

MEAL CLAIMS:

Meal claims must be actual, reasonable and necessary and represent the actual amount spent. For a claim to be reimbursed in excess of the maximum amount, an itemized receipt or charge card credit slip (tear tabs are not acceptable) must be provided and there must be documentation that the cost was incurred outside of the traveler's control. To be allowed reimbursement for breakfast, the employee must leave home before 6:00 a.m.; lunch, departure must be before 10:30 a.m. and return after 2:30 p.m.; dinner, return must be after 7:00 p.m. These time frames are for employees working standard hours of 7:45 a.m. to 4:30 p.m. These time frames may be modified for employees working varied work schedules.

On any particular day, an employee entitled to reimbursement for two (2) or more consecutive meals, may divide claims between meals as desired, provided the combined maximum is not exceeded. Each day is considered separately for application of this policy. If meal maximums are not reached on one (1) day, the unspent amount does not accrue and cannot be applied to meals on another day or other costs incurred.

Maximum reimbursement rates for meals (in-state and out) are included in the section entitled "Maximum Reimbursement Rates."

LODGING

IN-STATE LODGING:

State employees should rarely have to pay full price for lodging. Government and other discount rates should be requested when making reservations or registering at hotels/motels. Employees should carry an ID that identifies them as a State employee. Reimbursement is limited to the single room rate. If employees share a room, the reimbursement rate may be divided equally but not in excess of the maximum permitted for each employee had each stayed in a single room.

State employees are exempt from paying sales tax in Wisconsin on lodging and should avoid such by furnishing retailers with written documentation stating they are traveling on government business. In the event the employee must pay taxes, the taxes will also be reimbursed.

Maximum reimbursement rates for in-state lodging are included in the section entitled "Maximum Reimbursement Rates."

HIGH-COST OUT-OF-STATE LODGING:

The DepartmentOffice of State Employment Relations issues a bimonthlyperiodic bulletin listing High-Cost Out-Of-State Cities and the maximum lodging rates allowed. Contact your agency travel coordinator in advance of travel for rates in a specific city.

When using fleet vehicles, passengers must be limited to State employees or travelers engaged in official state business. Fleet vehicles shall not be used for personal business. In the event a fleet vehicle is not available, the fleet office will issue a non-availability slip.

All agency fleet managers will ensure that each fleet vehicle has an auto incident kit in the vehicle, which contains forms and instructions for reporting incidents and accidents and a fleet policies and procedures manual.

Upon request of WPEC, representatives of WPEC shall meet with fleet managers of each department to discuss vehicle purchase needs and proposed vehicle specifications. The meeting shall take place prior to the development and submission of proposed vehicle specifications to the Department of Administration. WPEC may also submit a letter to the Department of Administration with the agency fleet manager's response, listing the needs and concerns of the WPEC membership.

Use of Personal Vehicles:

An employee may use a personal vehicle. When using a personal vehicle, in order to be reimbursed at the higher rate, under certain conditions the employee is required to obtain a non-availability slip stating there was no fleet vehicle available. If an employee chooses to use a personal vehicle and does not obtain a non-availability slip when required, the mileage is reimbursed at a rate determined by DOA. Non-availability slips are not required when employees do not have access to fleet vehicles in their headquarter city.

Upon request, representatives of WPEC shall meet with representatives of the respective agencies to discuss the application of policies and procedures dealing with the required twenty-four (24) hour notice for non-availability slips.

Employees with a demonstrable medical reason for use of a personal vehicle may apply to the Department of Administration for a waiver of the non-availability slip requirement.

Mileage reimbursement rates are included in the section entitled "Maximum Reimbursement Rates."

Rental Vehicles:

Rental vehicles should be used in situations where it is the most cost efficient means of transportation or the efficient conduct of state business precludes the use of other means of transportation.

For one (1) or two (2) travelers an economy-size vehicle shall be rented. A larger size vehicle may be rented and fully reimbursed if there are three or more travelers involved in state business or extra space is needed for equipment. Claims for larger vehicles must be justified in writing.

The State has contracts with vehicle rental companies for discounted rates. All contract vendor rates include free collision and liability insurance. A non-contract vendor should only be used when none of the contract vendors have vehicles available.

When renting from non-contract vendors within the U.S., the collision damage insurance (CDW) is reimbursable and must be purchased.

Companies that require the vehicle to be returned with a full tank of gas charge substantially more for filling the tank. Therefore, employees should fill the tank before returning the vehicle.
