Co-Chairpersons and Members of the
Joint Committee on Employment Relations
Room 113 South, State Capitol
Madison, WI 53703

Dear Co-Chairpersons and Members:

On Friday, December 12, 2003, I submitted for your review the tentative agreement between the State of Wisconsin and the Wisconsin State Building Trades Negotiating Committee. It was subsequently discovered that several key language changes agreed to by the state and the union were missing from the version of the tentative agreement that was submitted on December 12, as well as some underlining of new language and minor administrative changes. The key language changes include:

1. Adjusted State Prevailing Rates: Effective dates and adjusted rates modified in Article 7/1/1 on page 19.
2. Military Leave: Paragraph E. added to Article 7/13/2 on page 33.
3. Reduction Formula Calculations: Formula changes in Negotiating Note #2 on page 52.

Attached please find an amended tentative agreement with changes made as described above. Please replace the tentative agreement provided on Friday, December 12, 2003, with the attached modified tentative agreement. None of these changes affects the fiscal estimate submitted on December 12, 2003.

I apologize for any inconvenience this may have caused. I will be available to answer any questions regarding these changes.

Sincerely,

Karen E. Timberlake
Director

Section 2 - Dues Deduction or Fair Share

2/2/1 The Employer agrees to deduct the amount of dues or the proportionate share of the cost of the collective bargaining process and contract administration measured by the amount of dues uniformly required of all members, as certified by the Union from the earnings of the employees in the units. The amount so deducted shall be paid to the Union.

2/2/2 The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits, or other forms of liability which may arise out of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Section.

The Employer shall reimburse the Union for fifty percent (50%) of the cost of printing 1,500 copies of this Agreement. The Employer shall receive 1,225 copies and the Union shall receive 275 copies. The Employer shall be responsible for the distribution of one (1) copy of this Agreement to each employee covered by this Agreement.

Section 5 - Visitations

2/5/1 The Employer agrees that non-employee officers and representatives of the Union shall be admitted to the premises of the Employer during working hours upon advance notice, twenty four (24) hours if possible, to the appropriate Employer representative. Such visitations shall be for the purpose of ascertaining whether or not this Agreement is being observed by the parties and for the adjustment of grievances. The Union agrees that such activities shall not interfere with the normal work duties of employees. The Employer reserves the right to designate a meeting place or to provide a representative to accompany the Union officer where operational requirements do not permit unlimited access.

If requested by the authorized employee representative, the Employer

may permit additional Building Trade employees and/or Craft business agents to attend a particular Union-Management Meeting. The purpose of each meeting shall be to:

- C. Give the employee representative the opportunity to express his/her views on subjects of interest to employees of the bargaining unit;
- D. Consider health and safety matters relating to bargaining unit employees in the department.

2/8/2 The parties agree that such meetings will be exclusive of the grievance procedure and grievances being processed shall not be considered at these meetings. Employees will be in pay status for time spent in Union-Management Meetings held during their regularly scheduled hours of employment. ARTICLE III

Management Rights

3/1/1 It is understood and agreed by the parties that management possesses the sole right to operate its agencies so as to carry out the statutory mandate and goals assigned to the agencies and that all management rights repose in management; however, such rights must be exercised consistently with the other provisions of this Agreement.

3/1/2 Management rights include:

- A. To utilize personnel, methods, and means in the most appropriate and efficient manner possible as determined by management.
- B. To manage and direct the employees of the various agencies.
- C. To transfer, assign or retain employees in positions within the agency.
- D. To suspend, demote, discharge or take other appropriate disciplinary action against employees for just cause.
- E. To determine the size and composition of the work force and to lay off employees in the event of lack of work or funds or under conditions where management believes that continuation of such work would be inefficient or nonproductive.
- F. To determine the mission of the agency and the methods and means necessary to fulfill that mission including the contracting out for or the transfer, alteration, curtailment or discontinuance of any goals or services. However, the provisions of this Article shall not be used for the purpose of undermining the Union or discriminating against any of its members.

3/1/3 It is agreed by the parties that none of the management rights noted above or any other management rights shall be subjects of bargaining during the term of this Agreement. Additionally, it is recognized by the parties that the Employer is prohibited from bargaining on the policies, practices and procedures of the civil service merit system relating to:

A. Original appointments and promotions specifically including recruitment, examinations, certifications, appointments, and policies with respect to probationary periods.

B. The job evaluation system specifically including position classification, position qualification standards, establishment and abolition of classifications, assignment and reassignment of classifications to salary ranges, and allocation and reallocation of positions to classifications, and the determination of an incumbent's status resulting from position reallocation.

ARTICLE IV

Grievance Procedure

Section 1 - Definition

4/1/1 A grievance is defined as, and limited to, a written complaint involving an alleged violation of a specific provision of this Agreement.

4/1/2 Only one (1) subject matter shall be covered in any one (1) grievance. A grievance shall contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, and the specific section or sections of the Agreement involved. The grievance shall be presented to the designated supervisor involved in quadruplicate (on forms furnished by the Employer to the Union and any prospective grievant) and signed and dated by the employee(s) and/or Union representative.

4/1/3 An employee may choose to have his/her appropriate Union representative represent him/her at any step of the grievance procedure. If an employee brings any grievance to the Employer's attention without first having notified the Union, the Employer representative to whom such grievance is brought shall immediately notify the appropriate Union representative and no further discussion shall be had on the matter until the appropriate Union representative has been given notice and an opportunity to be present. The appropriate union representative is the steward if one has been designated for the local job headquarters. If the steward is absent or if no steward has been designated, the appropriate union representative shall be the business agent of the employee's union local which represents the area in which the employee's job headquarters is located. Individual employees or groups of employees shall have the right to present grievances in person or through other non-Building Trades representatives of their own choosing at any step of the grievance procedure including arbitration, provided that the appropriate Union representative has been afforded the opportunity to be present at any discussions and that any settlement reached is not inconsistent with the provisions of this Agreement.

4/1/4 All grievances must be presented promptly and no later than thirty (30) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance.

Section 2 - Grievance Steps

4/2/1 Step One: Within seven (7) calendar days of receipt of the written grievance from the employee(s) or his/her representative, the immediate supervisor and/or the designated employing unit representative will schedule a meeting with the employee and his/her representative to hear the grievance and return a written answer to the employee and his/her representative. The parties can mutually agree to waive Step One.

4/2/2 Step Two: If dissatisfied with management's answer in Step One, to be considered further, the grievance must be appealed to the appointing authority or his/her designee (i.e., Division Administrator, Bureau Director, or personnel office) within seven (7) calendar days from receipt of the answer in Step One. The designated agency representative(s) will meet with the employee and his/her designated representative(s) to discuss and attempt to resolve the grievance. Following this meeting, the written decision of the agency will be placed on the grievance by the appointing authority or his/her designee and returned to the grievant and his/her representative, within twenty-one (21) calendar days from receipt of the appeal to Step Two.

4/2/3 Step Three: Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by either party within fifteen (15) calendar days from the date of the agency's answer in Step Two, or the grievance will be considered ineligible for appeal to arbitration. The party to which unresolved second step grievances are appealed to arbitration is the Department Office of State Employment Relations. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Second Step answers of the parties without prejudice or precedent in the resolution of future grievances. The issue as stated in the Second Step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the hearing.

4/2/4 For the purpose of selecting an impartial arbitrator, the parties or party, acting jointly or separately, shall request the Wisconsin Employment Relations Commission to appoint a staff member to serve as the impartial arbitrator of the grievance.

4/2/5 Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance. The cost of the arbitrator and expenses of the hearing, including a court reporter if requested by either party, will be shared equally by the parties. Each of the parties shall bear the cost of their own witnesses, including any lost wages that may be incurred. On grievances where the arbitrability of the subject matter is an issue, a separate arbitrator shall be appointed to

determine the question of arbitrability, unless the parties agree otherwise. Where the question of arbitrability is not an issue, the arbitrator shall only have authority to determine compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process. The arbitrator shall render a decision within thirty (30) calendar days following the hearing or within thirty (30) calendar days of receipt of the briefs submitted by the parties.

4/2/6 The decision of the arbitrator will be final and binding on both parties to this Agreement.

Section 3 - Time Limits

4/3/1 Grievances not appealed within the designated time limits in any step of the grievance procedure will be considered as having been adjudicated on the basis of the last preceding Employer answer. Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step within seven (7) calendar days of the expiration of the designated time limits. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.

4/3/2 If the Employer representative with whom a grievance appeal must be filed is located in a city other than that in which the grievance was processed in the preceding step, the mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a city other than that in which the Employer representative works, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period.

Section 4 - Representation

4/4/1 An employee may consult with his/her local Union representative during working hours for a reasonable period of time relative to the grievance matter by first contacting his/her immediate supervisor. The employee's supervisor will arrange a meeting to take place as soon as possible for the employee with his/her Union representative through the Union representative's supervisor.

Section 5 - Retroactivity

4/5/1 Settlement of grievances may or may not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, except for administrative errors relating to the payment of wages, the maximum period of retroactivity allowed shall be a date not earlier than thirty (30) calendar days prior to the date of initiation of the written grievance in Step One. Employees who voluntarily terminate their employment will have their grievances immediately withdrawn and will not benefit by any later settlement of a group grievance.

Section 6 - Exclusive Procedure

4/6/1 The grievance procedure set out above shall be exclusive and shall replace any other grievance procedure or appeal procedure for adjustment of any disputes arising from the application and interpretation of this Agreement.

Section 7 - Processing Grievances

4/7/1 Grievance representatives and grievants will be permitted a reasonable amount of time without loss of pay to process grievances during their regularly scheduled hours of employment.

4/7/2 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance.

4/7/3 The Employer is not responsible for any compensation of employees or Union representatives for time spent processing grievances outside their regularly scheduled hours of employment. The Employer is also not responsible for any travel or subsistence expenses incurred by grievants or Union representatives in the processing of grievances.

Section 8 - Number of Stewards

4/8/1 The Union may designate a steward for each craft at UW-Milwaukee and UW-Madison. Also one (1) steward for all crafts may be designated at all other institutions. The Union shall notify the Employer in writing of the names of the stewards and their respective jurisdictional areas within thirty (30) calendar days of their appointment.

Section 9 – Union Grievances

4/9/1 Group representatives who are members of the bargaining unit shall have the right to file and process a grievance when any provision of this Agreement has been violated or when the Employer interpretation of the terms and provisions of the Agreement lead to a controversy with the Union over application of the terms or provisions of this Agreement. Such grievances must be designated as Union grievances at the initial step. One (1) grievant and his/her grievance representative shall appear without loss of pay to represent and serve as spokespersons for such grievances.

Section 10 – Group Grievances

4/10/1 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. Individual grievances that meet the definition of a group grievance as contained herein shall be consolidated at each step of the procedure. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance. No employees may be added to the list of group grievants after the Second Step hearing. Relief is restricted to those employees identified in the group grievance. Only one (1) of the grievants and his/her grievance representative shall appear without loss of pay to represent and serve as spokespersons for the entire group.

Section 11 - Discipline

4/11/1 The parties recognize the authority of the Employer to suspend, demote, discharge, or take other appropriate disciplinary action against employees for just cause. An employee who alleges that such action was not based on just cause may appeal a demotion, suspension, discharge, or written reprimand taken by the Employer beginning with the Third Step of the grievance procedure, except that written reprimands shall begin with the First Step of the grievance procedure.

4/11/2 A grievance in response to a written reprimand shall begin at the step of the grievance procedure which is appropriate to the level of authority of the person signing the written reprimand.

4/11/3 An employee shall be entitled to the presence of a designated grievance representative at an investigatory interview (including informal counseling) if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her.

4/11/4 Unless Union representation is present during informal counseling or performance evaluation, disciplinary action cannot be taken at such counseling or performance evaluation meetings. The occurrence of an informal counseling or performance evaluation meeting shall not be used as the basis for or as evidence in any subsequent disciplinary action. Such a meeting can be used to establish that an employee had been made aware of the circumstances which resulted in informal counseling or performance evaluation.

4/11/5 If any discipline is taken against an employee, both the employee and the Union will receive copies of this disciplinary action. If the supervisor and the employee meet to explain or discuss the discipline, a Union representative shall be present if requested.

4/11/6 It is understood that letters of reprimand will be removed upon an employee's request from an employee's personnel file if the employee has received no other discipline within a twelve (12) month time period after the letter of reprimand was issued.

Section 12 - Exclusion of Probationary Employees

4/12/1 Notwithstanding Section 11 above, the retention or release of probationary employees shall not be subject to the grievance procedure.

ARTICLE V

Seniority

5/1/1 Seniority for employees hired after the effective date of this Agreement shall be determined by the original date of employment with the State of Wisconsin. Seniority for existing bargaining unit employees shall be their seniority date as of the effective date of this Agreement. Seniority for employees who become members of the bargaining unit during the term of this Agreement shall be their adjusted continuous service date as of the time they became members of the unit. When the Employer becomes responsible for a function previously administered by another governmental agency, a quasi-public, or a private enterprise, the seniority of employees who become bargaining unit members as a result of this change of responsibility shall be their date of accretion into state service unless the legislation or the Executive Order causing such accretion specifies differently. Such seniority will be changed only where the employee is separated from state service by discharge, resignation or layoff.

5/1/2 The Employer shall notify the Union as soon as possible of any legislative hearings scheduled to discuss state assumption of functions currently administered by another governmental agency, a quasi-public or private enterprise.

5/1/3 Where separation has occurred and the employee is subsequently rehired, the date of rehire will begin the seniority date except where an employee is laid off and recalled or reinstated from layoff within five (5) years thereof, he/she shall retain his/her original date of employment for the computation of seniority.

5/1/4 In the event two (2) employees have the same seniority date, seniority of the one as against the other shall be determined by age with the oldest employee considered having the greatest seniority.

5/1/5 Management will be required to apply seniority as defined above only as specifically provided in this Agreement and subject to any limitations set forth in any particular article or section of this Agreement.

ARTICLE VI

Transfers

Section 1 - General

6/1/1 Craft employees who have permanent status in their current classifications and desire to transfer within their agency shall file a written request as prescribed by the agency with the appropriate personnel office indicating that interest.

Section 2 - Vacancies

6/2/1 When a permanent vacancy occurs, in a permanent position, the Employer will consider those requests on file from any craft employees in the agency who are in the same classification as the vacancy and have indicated an interest in the specific shift or location of the vacancy. Such requests shall remain in effect for the duration of this Agreement.

6/2/2 Any craft employee who is selected for transfer shall have three (3) workdays in which to accept or decline the offer.

Section 3 - Inter-Agency Transfer

6/3/1 In the event that the vacancy is not filled by transfer of a craft employee under the provisions of Section 2 of this Article, the Employer will consider interested craft employees from other agencies within the state service who have registered with the agency. A craft employee's registration for transfer under this section shall be in effect for the duration of this Agreement.

Section 4 - Definition of Vacancy

6/4/1 For purposes of this Article, a permanent vacancy is created:

- A. When the Employer has approval to increase the work force and decides to fill the new positions;

B. When any of the following personnel transactions take place and the Employer decides to replace the previous incumbent: terminations, transfers out of the bargaining unit, promotion, demotion, resignation, or retirement;

C. Transfers within the bargaining unit resulting from either A. or B. above.

Section 5 - Limitations

6/5/1 A. The applications of the procedures in this Article shall be limited to a maximum of three (3) transfers resulting from any given original vacancy.

B. Employees may not transfer under the provisions of Section 1 of this Article more often than once every six (6) months.

C. Employees transferring under the provisions of this Article shall not be eligible for payment of time or expenses incurred by virtue of a request for a transfer or the transfer itself; specifically including, but not limited to, moving expenses.

ARTICLE VII

Wages and Employee Benefits

Section 1 - Adjusted State Prevailing Rate

7/1/1 A. Bargaining unit employees shall receive the adjusted state prevailing rate. The adjusted state prevailing rate is based on the gross area building construction prevailing craft rate, which is the base rate plus employer-paid employee benefits including industry promotion and training funds. The total gross amount is then adjusted downward by the value of the state-provided employee benefits to arrive at the effective value of the adjusted state prevailing rate. The preceding shall not include any area negotiated pay rate add-ons except for spray painting. The statewide pay rate add-on for spray painting shall be fifty cents (\$.50) per hour.

B. Effective July 1, ~~2001~~2003, the adjustment for state employee benefits shall be ~~17.2%~~17.4% of the gross area building construction prevailing craft rate (base plus fringes) plus the cost of the optional health insurance.

C. Effective July 1, ~~2001~~2003, the adjusted state prevailing rate will be ~~82.8%~~82.6% of the gross area building construction prevailing rate less the cost of the optional health insurance.

D. For those employees electing the one hundred twenty four (124) hours [fifteen and one half (15 ½) days] or one hundred forty (140) hours [seventeen and one half (17 ½) days] annual leave option pursuant to the provisions of 7/9/1, effective July 1, ~~2001~~2003 the adjusted state prevailing rate will be ~~81.5%~~81.3% of the gross area building construction prevailing rate less the cost of the optional health insurance, for the calendar year to which their election applies.

E. For those employees eligible for and selecting the one hundred eighty hours [twenty two and one half (22 ½) days] annual leave option pursuant to the provisions of 7/9/1, effective July 1, ~~2001~~2003 the adjusted state prevailing rate will be ~~81.3%~~80.1% of the gross area building construction prevailing rate less the cost of the optional health insurance, for the calendar year to which their election applies.

F. The gross area building construction prevailing craft rate utilized will be the applicable collectively bargained rate for the jurisdictional area in which the employee's job headquarters is located.

G. The Equal Rights Division in DWD shall certify the official gross area building construction prevailing craft rate for the Employer.

1. New Agreements: The effective date for implementation of changes in the prevailing rate shall be the negotiated effective date but shall be no earlier than ninety (90) days prior to receipt of notification by DWD of the "Local Union Wage and Employment Report". If the "Local Union Wage and Employment Report" is sent by certified mail--return receipt requested, then the postmarked date shall constitute the date received.

2. Interim Changes: Subsequent or interim changes which are contained in existing local craft agreements, shall be made effective on the dates specified in those agreements subject to the ninety (90) day limitation set forth above.

H. Prior to appointing an apprentice the Employer shall meet with the Union representative of that trade to determine the rate to be paid. If the parties are unable to agree to a rate and the Employer appoints at a unilaterally determined rate, the Union can file a grievance challenging the calculation of that rate.

Section 2 - Night Differential

7/2/1 Work performed between the hours of 6 p.m. and 6 a.m. will receive an additional forty-five cents (\$.45) per hour added to the adjusted state rate.

Section 3 - Overtime

7/3/1 The adjusted state rate for time worked in excess of forty (40) hours in a workweek will be at the premium rate of one hundred thirty six percent (136%) of the total gross area prevailing rate. The Employer agrees to compensate employees for hours worked in excess of forty (40) hours in a workweek at the premium rate in cash.

7/3/2 All time in pay status shall be considered time worked for purposes of establishing the forty (40) hour base for overtime premium rate.

7/3/3 In lieu of cash, the Employer and employee can mutually agree to the use of Compensatory Time for all or part of the hours. If the Employer agrees to the use of Compensatory Time, the amount of time earned shall be one and one-half (1 1/2) times the actual hours worked in excess of forty (40) hours in a workweek. The

scheduling and use of Compensatory Time shall be in accordance with those provisions applicable to annual leave as specified in 7/9/1/E., except those pertaining to carryover.

7/3/4 Compensatory time hours in excess of forty (40) hours in an employee's account may be liquidated at any time by the Employer either through cash payment or by directing an employee to take the time off.

Section 4 - Health Insurance

7/4/1 The Employer agrees to make available on an optional basis the same health insurance benefits to Craft bargaining unit employees on a cost basis as are provided for non-represented employees. Employees who participate in the health insurance program are required to pay the entire premium costs.

7/4/2 The Employer agrees to allow payroll deductions for any non-State Health Insurance plans consistent with the provisions of s. 20.921(1)(3), Wis. Stats.

Section 5 - Employee-Funded Reimbursement Accounts (ERA)

7/5/1 Effective July 1, 1990, the Employer agrees to offer employees the opportunity to participate in the Employee-Funded Reimbursement Account Program, as administered under the provision of Chapter 40, Wis. Stats., and the contract between the plan administrator and the Department of Employee Trust Funds. In conjunction with the implementation of this new benefit, employees who are enrolled in the optional Health Insurance Program shall pay the total premium cost via a payroll deduction. The total monthly health insurance premium cost shall be split with equal deductions taken from the employees' "A" and "B" biweekly paychecks. For administrative purposes, the new premium deduction cycle shall be started at the beginning of a "B" payroll period. Correspondingly, terminating employees whose last day in pay status occurs during a "B" payroll period shall not have payments for health insurance premiums deducted from that biweekly paycheck. The Employer reserves the right to modify any other administrative procedures which may be necessary to accommodate the installation of this new employee health insurance premium payment system.

7/5/2 (The following health insurance premium payment processing changes are transitional only and shall apply to all participating employees in order to facilitate the implementation of this new program.)

A. Effective June 30, 1990, all hourly pay rate premium deductions will cease.

B. Effective July 1, 1990, employees will pay a 100% total monthly premium cost out of that "A" biweekly paycheck and the next five (5) "A" biweekly paychecks.

C. Effective December 30, 1990, employees will pay a 50% total monthly premium cost out of that biweekly paycheck and each subsequent "A" and "B" biweekly paychecks.)

Section 6 - Income Continuation Insurance

7/6/1 The Employer agrees to continue in effect the Income Continuation Program and the administrative provisions of the program provided under Chapter 40, Wis. Stats. and the master contract between the insurance carrier and the Group Insurance Board.

Section 7 - Lead Craftworker
