21 30.208 (2) ~~TIME LIMITS FOR ISSUING PERMIT DETERMINATIONS~~ PROCEDURE FOR
22 COMPLETING APPLICATIONS. In issuing individual permits or entering contracts under
23 this chapter subchapter, the department shall initially determine whether a
24 complete application for the permit or contract has been submitted and, no later than
25 ~~60~~ 30 days after the application is submitted, notify the applicant in writing about

1 the initial determination of completeness. If the department determines that the
2 application is incomplete, the notice shall state the reason for the determination and
3 the specific items of information necessary to make the application complete. An
4 applicant may supplement and resubmit an application that the department has
5 determined to be incomplete. There is no limit on the number of times that an
6 applicant may resubmit an application that the department has determined to be
7 incomplete under this section. The department may not demand items of
8 information that are not specified in the notice as a condition for determining
9 whether the application is complete unless both the department and the applicant
10 agree or unless the applicant makes material additions or alterations to the activity
11 or project for which the application has been submitted. The rules promulgated
12 under s. 299.05 apply only to applications for individual permits or contracts under
13 this subchapter that the department has determined to be complete.

18 (a) “Artificial water body” means a proposed or existing body of water that does
19 not have a history of being a lake or stream or of being part of a lake or stream.

20 (b) “Bank” means either of the following:

21 1. Land area that is, in size, the greater of the following:

22 a. The portion of land surface that extends 75 feet landward from the ordinary
23 high-water mark of any navigable waterway.

1 b. The portion of land surface extending landward from the ordinary
2 high-water mark of any navigable waterway to the point where the slope is less than
3 12 percent.

4 2. A bank as determined by the department by rule under sub. (1d).

5 (c) “Priority navigable waterway” means any of the following:

6 1. A navigable waterway, or a portion of a navigable waterway, that is identified
7 as an outstanding or exceptional resource water under s. 281.15.

8 2. A navigable waterway, or a portion of a navigable waterway, identified as a
9 trout stream.

10 3. A lake that is less than 50 acres in size.

17 to legislative council staff under s. 227.15 (1) or the day that the rule promulgated
18 under sub. (1d) goes into effect, whichever is earlier.

19 *~~3881/P6.90~~* SECTION 90. 30.19 (1d) of the statutes is created to read:

20 30.19 (1d) RULES; BANKS OF NAVIGABLE WATERWAYS. (a) The department shall
21 promulgate a rule to determine what constitutes a bank for purposes of this section
22 in accordance with all of the following:

23 1. For priority navigable waterways, the department shall promulgate a rule
24 stating that a bank is, in size, the greater of the following:

1 a. The portion of land surface that extends a certain distance landward from
2 the ordinary high–water mark of the navigable waterway, but the distance under the
3 rule may not exceed 300 feet.

4 b. The portion of land surface that extends landward from the ordinary
5 high–water mark of the navigable waterway to the point where the slope is measured
6 to be a certain percentage, but the percentage under the rule may not be less than
7 10 percent.

8 1m. The rule promulgated under sub. 1. may apply to specific priority navigable
9 waterways or to classes of priority navigable waterways.

10 2. For navigable waterways that are not priority navigable waterways, the
11 department shall promulgate a rule stating that a bank is, in size, the greater of the
12 following:

13 a. The portion of the land surface that extends a certain distance landward
14 from the ordinary high–water mark of the navigable waterway, but the distance
15 under the rule may not exceed 75 feet.

16 b. The portion of land surface that extends landward from the ordinary
17 high–water mark of the navigable waterway to the point where the slope is measured
18 to be a certain percentage, but the percentage under the rule may not be less than
19 12 percent.

20 2m. The rule promulgated under subd. 1. may apply to specific navigable
21 waterways or to classes of navigable waterways.

22 (am) The rule under this subsection may not require or allow the department
23 to deviate from, or create an exemption from, the requirements of the rules
24 promulgated under this section in determining what constitutes a bank at an
25 individual, specific site.

1 (b) In promulgating the rule under this subsection, the determination under
2 this subsection of what constitutes a bank may not include any land where the slope
3 or drainage of the land into the navigable waterway is completely interrupted.

4 (c) To the extent practicable, the rule under this subsection shall be consistent
5 with rules promulgated by the department that relate to shorelands, as defined in
6 s. 59.692 (1) (b), and floodplains, and rules promulgated under s. 281.16 (2) that
7 relate to protective areas for wetlands and waterways.

8 (d) In promulgating the rule under this subsection, the department shall
9 consider public rights and interests for the purpose of furthering the public trust in
10 navigable waters.
