August 7, 2003 – Introduced by Representatives Ladwig, Kerkman, Albers, Gronemus, Grothman, Gundrum, Hines, Huber, Hundertmark, F. Lasee, McCormick, Montgomery, Nischke, Owens, Seratti, Staskunas, Towns, Vukmir and Van Roy, cosponsored by Senators Darling, Lassa, Roessler and Schultz. Referred to Committee on Financial Institutions.

AN ACT to repeal and recreate 409.521 of the statutes; relating to: inclusion of social security numbers and employer identification numbers in Uniform Commercial Code financing statements.

### Analysis by the Legislative Reference Bureau

Currently, to perfect certain types of security interests under the Uniform Commercial Code (UCC), a secured party must file a financing statement with the appropriate filing office. These financing statements are made available to the public, generally for the purpose of facilitating commercial transactions. In addition, the Department of Financial Institutions (DFI), in cooperation with the registers of deeds in this state, maintains a statewide lien system which, among other things, allows public access to these financing statements through the Internet.

Current law generally provides for the use of a standard, national form for these financing statements. This standard form contains a box where an individual debtor's social security number or organizational debtor's employer identification number may be recorded. However, because a social security number is not required under Wisconsin law, the standard form generally in use in this state also includes a notice that an individual's social security number is not required in Wisconsin.

This bill amends the standard form generally in use in this state so as to include, in the box where a social security number or employer identification number may be recorded, a statement that these numbers are not required in Wisconsin. In addition, the bill requires DFI to include a notice in the instructions for these financing statements indicting that these numbers are not required in Wisconsin.
