1 SECTION 1. 196.197 of the statutes is created to read:

3 196.197 Unbundled Network Elements. (1) APPLICABILITY. This section applies to a

- 4 petition to determine rates and costs of unbundled network elements or unbundled service
- 5 elements under federal or state law, but does not apply to a petition for arbitration.

(2) PETITIONS AND FURTHER INFORMATION. (a) A petition may be filed with the 7

- commission by a telecommunications provider. A petition shall be in the form required 8
- 9 by the commission. A petition shall be determined complete if it includes all of the
- 10 following:

2

6

19

- 11 1. A request that the commission determine rates or costs of unbundled network
- 12 elements or unbundled service elements, an identification of the particular rates or costs
- 13 that are the subject of the petition, and identification of the relief sought by petitioner.
- 14 2. One or more cost studies that the petitioner wishes to rely upon in support of the rates
- 15 or costs sought by petitioner.
- 16 3. Pre-filed written direct testimony that the petitioner wishes to rely upon in support of
- 17 the petition and relief sought.
- 18 4. Any additional information required by the commission.

(b) The commission shall determine whether a petition is complete pursuant to par. (a) 20

and, no later than 30 days after the date on which the petition is filed or supplemented 21

22 under this paragraph, notify the petitioner about the determination. If the commission

fails to make a determination within the 30 days, the petition is considered to be 23

- complete. If the commission determines that the petition is incomplete, the commission
- 2 shall state the reasons for the determination. A petitioner may supplement a petition that
- 3 the commission has determined to be incomplete. There is no limit on the number of
- 4 times that a petitioner may supplement a petition.

- 6 (c) A petitioner shall provide a copy of a petition, to any other telecommunications
- 7 provider that may be affected by the petition at the same time the petition is filed with the
- 8 commission. A telecommunications provider that may be affected by the petition may
- 9 respond to the petition and if so, shall provide the commission any additional
- 10 information.

11

- 12 (3) TIMEFRAME FOR DECISION. (a) The commission shall enter a final decision on the
- petition within 180 days after the date on which the petition is determined or considered
- 14 to be complete under sub. (2)(b) unless, within the 180-day period, an extension is agreed
- to under par. (b) or granted under par. (c).

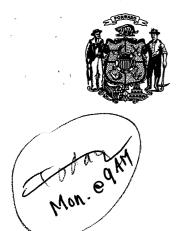

16

- 17 (b) With the approval of the commission and within the 180-day period, the petitioner
- 18 may agree to extend the time for a final decision.

19

- 20 (c) The commission, within the 180-day period, or within any extension approved under
- 21 par. (b), may petition the circuit court for Dane County for an extension of time for
- 22 entering a final decision on the petition. Upon a showing of good cause, the court, within
- 23 the 180-day period, or within any extension approved under par. (b), may grant an

. 1	extension of no more than an additional 60 days. No more than one extension may be				
2	granted under this paragraph.				
3					
4	(4) FINAL DECISION. The commission may grant the petition, reject the petition, or				
5	approve the petition with modifications or conditions. In its final decision, the				
6	commission shall determine the rates for the unbundled network elements and unbundled				
7	service elements specified in the petition except to the extent the evidence in the record i				
8	insufficient for purposes of making such a determination with respect to a particular rate,				
9	unbundled network element or unbundled service element.

SENATE SUBSTITUTE AMENDMENT, TO 2003 ASSEMBLY BILL 729

1 AN ACT ...; relating to: petitions by certain telecommunications utilities 2 regarding unbundled network or service elements.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 196.197 of the statutes is created to read:

196.197 Unbundled network elements. (1) APPLICABILITY. This section applies to a petition to determine rates and costs of unbundled network elements or unbundled service elements under federal or state law, but does not apply to a petition for arbitration.

(2) Petitions. (a) A telecommunications provider may file a petition with the commission in the form and containing the information required by the commission. The commission shall determine that a petition is complete if the petition includes all of the following:

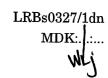

(4)

- 1. A request that the commission determine rates or costs of unbundled network elements or unbundled service elements, an identification of the particular rates or costs that are the subject of the petition, and an identification of the relief the sought by petitioner.
- 2. One or more cost studies upon which the petitioner relies to support the rates or costs sought by petitioner.
- 3. Prefiled written direct testimony upon which the petitioner relies to support the petition and relief sought.
 - 4. Any other information required by the commission.
- (a) or supplemented under this paragraph, the commission shall determine whether a petition is complete under par. (a) and notify the petitioner about the determination. If the commission fails to make a determination within the 30 days, the petition is considered to be complete. If the commission determines that a petition filed under par. (a) or supplemented under this paragraph is incomplete, the commission shall state the reason for the determination. A petitioner may supplement a petition that the commission has determined to be incomplete. There is no limit on the number of times that a petitioner may supplement a petition.
- (c) A petitioner shall provide a copy of a petition filed under par. (a) or supplemented under par. (b) to any other telecommunications provider that may be affected by the petition at the same time the petition is filed or supplemented. A telecommunications provider that may be affected by the petition may respond to the petition and provide the commission any additional information.
- (3) TIME FRAME FOR DECISIONS. (a) The commission shall enter a final decision on a petition within 180 days after the date on which the petition is determined or

,	
1	considered to be complete under sub. (2) (b), unless an extension is agreed to under
2	under par. (b) or granted under par. (c).
3	(b) With the approval of the commission, the petitioner may, within the
4	180-day period specified in par. (a), agree to extend the time for a final decision.
5	(c) The commission may, within the 180-day period specified in par. (a) or
6	within any extension approved under par. (b), petition the circuit court for Dane
7	County for an extension of time for entering a final decision on the petition. Within
8	the 180-day period specified in par. (a) or within any extension approved under par.
9	(b), the court may, upon a showing of good cause, grant an extension of not more than
10	an additional 60 days. No more than one extension may be granted under this
11	paragraph.
12	(4) FINAL DECISION. The commission may reject a petition, grant a petition, or
13	approve a petition with modifications or conditions. If the commission does not reject
14	a petition, the commission shall issue a final decision that determines rates for the
15	unbundled network elements and unbundled service elements specified in the
16	petition, except to the extent that the evidence in the record is not sufficient for
17	making such a determination with respect to a particular rate, unbundled network
18	element, or unbundled service element.
19	SECTION 2. 196.203 (3) (dm) of the statutes is created to read:
20	196.203 (3) Section 196.197 applies to an alternative telecommunications
21	utility.
22	Section 3. Initial applicability.
(23)	(1) The treatment of sections 196.197 and 196.203 (3) (4) of the statutes first

applies to petitions that are filed on the effective date of this subsection.

The sub should be done later this afternoon.

Do you also need a sub to the Senate companion (i.e., SB 370)?

SENATE SUBSTITUTE AMENDMENT, TO 2003 ASSEMBLY BILL 729

Regen

AN ACT to create 196.197 and 196.203 (3) (dm) of the statutes; relating to:

petitions by certain telecommunications utilities regarding unbundled network or service elements.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 196.197 of the statutes is created to read:

196.197 Unbundled network elements. (1) Applicability. This section applies to a petition to determine rates and costs of unbundled network elements or unbundled service elements under federal or state law, but does not apply to a petition for arbitration.

(2) PETITIONS. (a) A telecommunications provider may file a petition with the commission in the form and containing the information required by the commission. The commission shall determine that a petition is complete if the petition includes all of the following:

- 1. A request that the commission determine rates or costs of unbundled network elements or unbundled service elements, an identification of the particular rates or costs that are the subject of the petition, and an identification of the relief sought by the petitioner.
- 2. One or more cost studies upon which the petitioner relies to support the rates or costs sought by the petitioner.
- 3. Prefiled written direct testimony upon which the petitioner relies to support the petition and relief sought.
 - 4. Any other information required by the commission.
- (b) No later than 30 days after the date on which a petition is filed under par.

 (a) or supplemented under this paragraph, the commission shall determine whether a petition is complete under par. (a) and notify the petitioner about the determination. If the commission fails to make a determination within the 30 days, the petition is considered to be complete. If the commission determines that a petition filed under par. (a) or supplemented under this paragraph is incomplete, the commission shall state the reason for the determination. A petitioner may supplement a petition that the commission has determined to be incomplete. There is no limit on the number of times that a petitioner may supplement a petition.
- (c) A petitioner shall provide a copy of a petition filed under par. (a) or supplemented under par. (b) to any other telecommunications provider that may be affected by the petition at the same time the petition is filed or supplemented. A telecommunications provider that may be affected by the petition may respond to the petition and provide the commission any additional information.
- (3) TIME FRAME FOR DECISIONS. (a) The commission shall enter a final decision on a petition within 180 days after the date on which the petition is determined or

1	considered to be complete under sub. (2) (b), unless an extension is agreed to under
2	under par. (b) or granted under par. (c).
3	(b) With the approval of the commission, the petitioner may, within the
4	180-day period specified in par. (a), agree to extend the time for a final decision.
5	(c) The commission may, within the 180-day period specified in par. (a) or
6	within any extension approved under par. (b), petition the circuit court for Dane
7	County for an extension of time for entering a final decision on the petition. Within
8	the 180-day period specified in par. (a) or within any extension approved under par.
9	(b), the court may, upon a showing of good cause, grant an extension of not more than
10	an additional 60 days. No more than one extension may be granted under this
11	paragraph.
12	(4) FINAL DECISION. The commission may reject a petition, grant a petition, or
(13)	approve a petition with modifications or conditions. If the commission does not reject
14	a petition, the commission shall issue a final decision that determines rates for the
15	unbundled network elements and unbundled service elements specified in the
16	petition, except to the extent that the evidence in the record is not sufficient for
17	making such a determination with respect to a particular rate, unbundled network
18	element, or unbundled service element.
19	SECTION 2. 196.203 (3) (dm) of the statutes is created to read:
20	196.203 (3) (dm) Section 196.197 applies to an alternative telecommunications
21	utility.
22	Section 3. Initial applicability.

applies to petitions that are filed on the effective date of this subsection.
