DPI 4/7/2003

LRB Number 03-0144/2	Introduction Number AB-202	Estimate Type Original
Subject School board contracts with photographers		

Assumptions Used in Arriving at Fiscal Estimate

This bill provides that if a school board contracts with a person to provide photographs of 12th grade pupils for a school yearbook, the contract may not prohibit a pupil from supplying his or her own photograph for the yearbook, subject to the school board's reasonable specifications.

State:

This bill has no state fiscal effect.

Local:

It is unknown how many school boards contract with persons to provide photographs of 12th graders for publication in a yearbook. It is also unknown how many, if any, pupils would supply a photograph for the yearbook. It is assumed that these numbers would vary from district to district, but that this bill would have no local fiscal effect.
