Subject: SB 375

Hey Guys,

Just got off the phone with Marc Shovers. He's drafting an amendment for the floor that will delete the nonmetallic mining stuff out of SB 375 and just keep the reasonable fees language. Tad, I'm having it drafted for your boss so the stripes will be coming to your office.

Tad, we'll wait to hear back from you on how we should best move the nonmetallic mining provision then. (New bill? Amend Assembly version when it comes over?)
