

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0330/1dn
MDK:kmg:rs

February 4, 2004

Rep. Nass:

Because the substitute amendment requires rules, I added a short delayed effective date (approximately 4 months) to give DRL time to promulgate rules. Also, I allowed DRL to promulgate emergency rules before permanent rules go into effect. Is that okay?
