2003 BILL

Regen

- 1 AN ACT *to create* 448.56 (6) of the statutes; **relating to:** the practice of physical
- 2 therapist assistants and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law that is effective April 1, 2004, a person may not use the title "physical therapist assistant" unless he or she has a license as a physical therapist assistant that is granted by the Physical Therapists Affiliated Credentialing Board (board). Current law does not specify what a licensed physical therapist assistant is allowed, or not allowed, to do.

This bill specifies that a person who is licensed as a physical therapist assistant may assist in the practice of physical therapy with respect to a patient only under the direct or general supervision of a physical therapist who is licensed by the board. The bill requires the board to promulgate rules that define what constitutes direct or general supervision. In addition, the physical therapist must have developed a diagnosis, prognosis, and plan of therapeutic intervention for the patient.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Hi Mark-

Both my client and the WMS are fine with the language you and I developed on Friday. I have attached for you convenience. Do you think you can get this to Roessler and Underheim by the end of the day?

Thanks.
