**Analysis by the Legislative Reference Bureau**

This ~~bill~~ makes a number of changes to the Milwaukee Parental Choice Program (MPCP), under which certain low-income pupils who reside in the city of Milwaukee may attend participating private schools in the city at state expense. The changes include the following:

1. The ~~bill~~ requires a private school participating in the MPCP annually to conduct a criminal background check on all persons employed by the private school.
2. With certain exceptions, the ~~bill~~ prohibits a private school participating in the MPCP from employing a person as instructional staff if he or she has been convicted of any of the specified felonies for six years following the conviction.
3. The ~~bill~~ requires a private school to submit to the Department of Public Instruction (DPI), before the school begins participating in the MPCP, a copy of the school's certificate of occupancy issued by the city of Milwaukee, evidence of financial viability, and proof that the administrator of the school participated in a fiscal management training program approved by DPI. Annually, a private school participating in the MPCP must submit to DPI evidence of sound fiscal practices.

The ~~bill~~ authorizes DPI to issue an order immediately terminating a private school's participation in the MPCP if DPI determines that conditions at the private school present an imminent danger to the health or safety of pupils or that the private school failed to provide certain information to DPI by the date or within the period required.

6. Finally, the ~~bill~~ authorizes DPI to withhold payment from a private school participating in the MPCP if the private school violates any law or administrative rule governing the MPCP.
