

Fiscal Estimate Narratives

DOA 1/9/2004

LRB Number 03-3597/1	Introduction Number SB-323	Estimate Type Original
Subject Changes to incorporation, annexation procedures; incorporation of the Town of Campbell in LaCrosse County as a village		

Assumptions Used in Arriving at Fiscal Estimate

The bill would establish an Incorporation Review Board and set certain procedures for review of incorporations and annexations. Some minor expenses associated with the cost of board operations may occur and could be absorbed within the agency's budget. Whether the procedures would reduce sometimes costly litigation over such matters by local governments is unknown.

Long-Range Fiscal Implications
