Hi Peter,

Hi Peter. Attached is a WLC draft of a law revision request that Terry Anderson wants to present to the law revision committee. Could you draft it for the committee's consideration. Also, could you give me a sense of your timeframe on the draft. The committee is going to meet to consider the draft on Oct 7. I don't see a problem with Terry testifying about the bill in its WLC form. However, if you are able to have it drafted before then, I'll make arrangements to have the LRB draft distributed. Thanks for your help.

Nick

I'll put a copy into the LC to LRB cabinet also (that's where LRB will get the document from).
Thanks!

How about this:

"Sections 1 and 2 of this bill change the requirement for the director of the Legislative Council staff to attend midwest and national meetings of the Commission of Uniform State Laws. Currently the director, or the director's designee, must attend all such meetings. The bill would require attendance only at such meetings that will benefit the operations of the legislative council staff."
