### *Analysis by the Legislative Reference Bureau*

Under current law, as a condition of eligibility for the Wisconsin Works (W-2) program, an individual may be required to participate in a wholly or partially subsidized employment position. Current law prohibits a W-2 employer from creating a W-2 employment position by terminating employment of a regular employee or by filling a position that is vacant because a non-W-2 employee is on strike, is on layoff, or is engaged in a labor dispute. Under federal law, as a condition of receiving federal Temporary Assistance for Needy Families (TANF) funds, the Department of Workforce Development (DWD) must implement a grievance procedure to resolve complaints of alleged violations of these requirements.

This bill requires DWD to promulgate rules specifying a grievance procedure for resolving complaints of alleged violations of the requirements.
