Hi Gordon -

I am writing to request a couple of law revisions drafts for next session. DWD wants to reintroduce LRB 1277/P1 and LRB 1255/P1. Could you draft those as preliminary drafts for the committee's consideration. Thanks

This is to follow up on our conversation on Tuesday. I am writing to request that LRB-1086 be drafted for introduction. The bill draft was initially drafted for consideration by the law revision committee. This morning the committee decided not to introduce it, but the cochairs felt it was a good bill. They asked me contact you to have it drafted for them. Could you draft companion bills it for introduction by Rep. Grothman and Sen. Lazich.

Thanks. I hope you move is going ok.

(Request Made By: PJK) (Date: 10 / 10 / 03)

Please ~~transfer~~<sup>copy</sup> the drafting file for

2001 LRB -1277 to the drafting file

for 2003 LRB - 3460

The final version of the 2001 draft and the final Request Sheet will be copied on yellow paper, and returned to the original 2001 drafting file. A new cover sheet will be created/included listing the new location of the drafting file's "guts".

This request form will be inserted into the "guts" of the 2003 draft. If introduced, the appendix will be scanned/added to the electronic drafting file folder.

Please copy the drafting file for

2003 LRB \_\_\_\_\_ / \_\_\_\_\_ (include the version) and place it in the

This request form will be inserted into the "guts" of the new 2003 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

The original drafting file will then returned, intact, to its folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.

AN ACT *to renumber* 49.141 (5); and *to create* 49.141 (5) (bm) of the statutes;  
relating to: a grievance procedure for resolving complaints of employment  
displacement under the Wisconsin Works program and granting rule-making  
authority ~~(suggested as remedial legislation by the Department of Workforce  
Development).~~

*Analysis by the Legislative Reference Bureau*

Under current law, as a condition of eligibility for the Wisconsin Works (W-2) program, an individual may be required to participate in a wholly or partially subsidized employment position. Current law prohibits a W-2 employer from creating a W-2 employment position by terminating employment of a regular employee or by filling a position that is vacant because a non-W-2 employee is on strike, is on layoff, or is engaged in a labor dispute. Under federal law, as a condition of receiving federal Temporary Assistance for Needy Families (TANF) funds, the Department of Workforce Development (DWD) must implement a grievance procedure to resolve complaints of alleged violations of these requirements. This bill requires DWD to promulgate rules specifying a grievance procedure for resolving complaints of alleged violations of the requirements.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Department of Workforce Development and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4, stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

1 SECTION 1. ✓ 49.141 (5) of the statutes is renumbered 49.141 (5) (am).

2 SECTION 2. ✓ 49.141 (5) (bm) of the statutes is created to read:

3 49.141 (5) (bm) The department shall promulgate rules specifying a grievance  
4 procedure for resolving complaints of alleged violations of par. (am).
