**Subject:** SB 120 am.

Marc,

Missy from Sen. Brown's office asked that I request an amendment to Sen. Am. 1 to SB 120. The amendment would clarify on page 2, line 17 of Sen. Am. 1 that a respnding agency is not required to bill the governmental unit that receives the mutual aid. I would suggest adding the following after "agency" on line 17--"if the responding agency requests payment of those costs".

Marc,

I'll check with the fire chiefs on the "at the time of the incident" language. In the meantime, I'm sending the stripes back.

Thanks,  
Missy

Hi Dick:

Could you please have the stripes sent back?

Also, I don't think that the first 2 items are necessary, and they don't add anything to the legal effect of par. (b) 1. and 3. If an agreement exists, it exists. The terms of the agreement will determine whether it applies to a particular incident. Adding "at the time of the incident" just seems like unnecessary extra words.

Marc

Marc,

Missy from Sen. Brown's office wanted to request a redraft of LRBA2151/1. In addition to the item already in the amendment, the following 3 items would be included:

1. Page 2, line 7: after "exists" insert "at the time of the incident".
2. Page 2, line 15: after "exists" insert "at the time of the incident".
3. Page 2, line 14; after "plan" insert "and if the responding agency requests payment of those costs".

Missy, I think the above language should address the concerns raised by Chief Krause, but if it doesn't, do you want to let Marc know.

Thanks Marc.
