## Kennedy, Debora

**From:** Gilbert, Melissa

**To:** Kennedy, Debora  
**Subject:** FW: Amendment to SB 120

**Importance:** High

Hi Debora,

Based on initials, I'm guessing you worked on the Public Health Council portion of Senate Bill 120. If so, would you draft an amendment altering the membership of the council according to the request below (18-23 members instead of 17)? Or should I direct this request elsewhere?

SB 120 is on the Senate floor Tuesday, so I apologize for the time crunch. Looks like we're going on the floor at 11 a.m., but I would guess we'll spend some time in caucus, too.

Thanks,

Melissa Gilbert  
Office of Sen. Ron Brown

**Subject:** Re: Possible Amendment for the Section pertaining to the Public Health Council

Hi Senators:

Diane Welsh asked me to send over possible amendment language we would like to see included in SB 120 relating to creating a public health council, reimbursement for quarantine costs, intrastate mutual aid, requiring use of the incident command system in an emergency, exemption from liability during a state of emergency, threats to release or disseminate harmful chemical, biological, or radioactive substances.

We would like the amendment to read: Under 15.197(13) Public Health Council. There is created in the department of health and family services a public health council consisting of not less than 18 members and no more than 23 members, nominated by the secretary of health and family services, and appointed for 3-year terms.

I hope you find this helpful.
