

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

Under s. 85.095 (1) (a), stats., the phrase "agency thereof" modifies only "town," not "county" or "municipality." Do you want to confer with DOT as to whether this is consistent with the perceived intent or administration of the statute?

What would be the intent of the bill if the grant recipient sells the harbor facility before ten years expire? Options may include repayment of the grant upon sale or no repayment of the grant if the transferee of the harbor facility is subject, as part of the transfer, to repay the grant if the transferee fails to hold the harbor facility open for the remainder of the ten-year period. I believe that created s. 85.095 (5) (b) should address this contingency.
