Thanks for the suggestion. We should go with that and keep the scope as is - so just replace the golf cart trailer language with the general personal rec trailer language (like SB 159) - no horse trailers though!

Kristina,

I'll take care of this. Would it accomplish your objective if, rather than deleting specific existing trailers from the statute, I simply replaced on p. 2, line 6 of the bill the phrase "or golf cart trailer" with the new phrase "or other trailer for a vehicle for personal recreational use"? (see same language at p. 2, lines 9-10 of 2003 SB 159.) Otherwise, it is possible the change could slightly narrow the scope of the existing statute. For example, the existing statute would apply to a professional motorcycle rider towing a motorcycle trailer, as part of a 3-vehicle combination, to a race. But would this be considered to be for personal recreational use if the statute is modified as indicated? If you do not want any narrowing of the existing statute, I would recommend leaving the specified trailers in the existing text and adding "or other trailer for a vehicle for personal recreational use", as is done in SB-159. Please let me know how you would like to proceed. Thanks. Aaron

Tim/Aaron:

Representative Ainsworth would like to request an amendment to AB 274. This amendment would replace current specific language regarding what type of trailer may be pulled (as the 3rd vehicle) with language indicating "a trailer for a vehicle for personal recreational use".

If you have any questions - please contact me.
Timeframe: Not needed until July 14th.

Thanks!
