***Analysis by the Legislative Reference Bureau***

This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Recodification of Town Highway Statutes.

The committee was directed to recodify chs. 80 and 81 and any matters related to those statutes. The special committee was instructed that the recodification may include a study of the reorganization of the chapter in a logical manner, renumbering and retitling sections, consolidating related provisions, modernizing language, resolving ambiguities in language, codifying court decisions, and making minor substantive changes.

Many of the provisions in chs. 80 and 81 date from the 1800s. The changes and additions to those chapters over the years seem to have occurred piecemeal without regard to any internal organization. As a result, current chs. 80 and 81 are unwieldy and difficult to use.

This bill:

1. Reorganizes chs. 80 and 81 by:

a. Moving most of the provisions in current chs. 80 and 81 into a new ch. 82. The special committee decided to create ch. 82 in order to avoid confusion between the original and the recodified law.

b. Arranging the provisions of the new ch. 82 into a logical order. The bill creates 3 subchapters.

c. Reorganizing some of the individual sections within current chs. 80 and 81 by combining them with other sections, dividing single sections into multiple sections, and internally reorganizing single sections.

d. Relocating whole or partial sections of current chs. 80 and 81 outside of the new ch. 82. This was done mainly for provisions that apply to municipalities other than towns.

2. Makes nonsubstantive changes to modernize language and reflect modern drafting style.

3. Repeals several sections of the current chs. 80 and 81 that the special committee concluded were unnecessary.

4. Makes substantive changes.

There are detailed notes following the sections that indicate the substantive change, if any. If the note does not indicate a substantive change, none is intended. If a question arises about the effect of any modification made by this bill, the special committee intends that the revisions in this bill be construed to have the same effect as the prior statute.

To aid in locating the renumbered sections, a table is located at the end of this bill that identifies the treatment of each of the provisions in current chs. 80 and 81.

3 **SECTION 1.** 32.035 (4) (a) of the statutes is amended to read:

**ASSEMBLY BILL 678**

1           32.035 (4) (a) *When an impact statement is required; permitted.* The  
2 department shall prepare an agricultural impact statement for each project, except  
3 a project under ch. ~~81~~ 82 or a project located entirely within the boundaries of a city  
4 or village, if the project involves the actual or potential exercise of the powers of  
5 eminent domain and if any interest in more than 5 acres of any farm operation may  
6 be taken. The department may prepare an agricultural impact statement on a  
7 project located entirely within the boundaries of a city ~~or~~, village, or town or involving  
8 any interest in 5 or fewer acres of any farm operation if the condemnation would have  
9 a significant effect on any farm operation as a whole.

10           **SECTION 2.** 32.05 (intro.) of the statutes is amended to read:

11           **32.05 Condemnation for sewers and transportation facilities.** (intro.)

12 In this section, “mass transit facility” includes, without limitation because of  
13 enumeration, exclusive or preferential bus lanes if those lanes are limited to  
14 abandoned railroad rights-of-way or existing expressways constructed before  
15 May 17, 1978, highway control devices, bus passenger loading areas and terminal  
16 facilities, including shelters, and fringe and corridor parking facilities to serve bus  
17 and other public mass transportation passengers, together with the acquisition,  
18 construction, reconstruction and maintenance of lands and facilities for the  
19 development, improvement and use of public mass transportation systems for the  
20 transportation of passengers. This section does not apply to ~~town highways created~~  
21 ~~or altered under ch. 80 except as to jury trials on appeals under ss. 80.24 and 80.25,~~  
22 ~~nor~~ to proceedings in 1st class cities under subch. II. In any city, condemnation for  
23 housing under ss. 66.1201 to 66.1211, for urban renewal under s. 66.1333, or for  
24 cultural arts facilities under subch. V of ch. 229, may proceed under this section or  
25 under s. 32.06 at the option of the condemning authority. Condemnation by a local

**ASSEMBLY BILL 678**

1 exposition district under subch. II of ch. 229 for any exposition center or exposition  
2 center facility may proceed under this section or under s. 32.06 at the option of the  
3 local exposition district. All other condemnation of property for public alleys, streets,  
4 highways, airports, mass transit facilities, or other transportation facilities, gas or  
5 leachate extraction systems to remedy environmental pollution from a solid waste  
6 disposal facility, storm sewers and sanitary sewers, watercourses or water  
7 transmission and distribution facilities shall proceed as follows:

8 **SECTION 3.** 59.69 (5) (e) 7. of the statutes is amended to read:

9 59.69 (5) (e) 7. When any lands previously under the jurisdiction of a county  
10 zoning ordinance have been finally removed from such jurisdiction by reason of  
11 annexation to an incorporated municipality, and after the regulations imposed by the  
12 county zoning ordinance have ceased to be effective as provided in sub. (7), the board  
13 may, on the recommendation of its zoning agency, enact amendatory ordinances that  
14 remove or delete the annexed lands from the official zoning map or written  
15 descriptions without following any of the procedures provided in subds. 1. to 6., and  
16 such amendatory ordinances shall become effective upon enactment and publication.  
17 A copy of the ordinance shall be forwarded by the clerk to the clerk of each town in  
18 which the lands affected were previously located. Nothing in this paragraph shall  
19 be construed to nullify or supersede s. ~~80.64~~ 66.1031.

20 **SECTION 4.** 59.84 (2) (f) 5. of the statutes is amended to read:

21 59.84 (2) (f) 5. The governing body of the municipality shall, within 30 days  
22 after filing, take the necessary action to comply with the order and in so doing shall  
23 not be limited by the objections of an abutting owner, and s. ~~80.32 (4)~~ 66.1005 (2) shall  
24 not be applicable to any vacation or discontinuance required by the order, and any  
25 such municipality may act upon the initiative of its governing body without the

**ASSEMBLY BILL 678****SECTION 4**

1 necessity of obtaining the consent of an abutting owner, notwithstanding chs. 60, 61,  
2 62 and 66 and s. ~~80.32 (4)~~ 66.1005 (2) and any other provisions of law to the contrary.

3 **SECTION 5.** 60.10 (1) (d) of the statutes is repealed.

NOTE: The committee repealed s. 81.05 because the committee believed that it was no longer used by towns. Current s. 60.10 (1) (d) is merely a cross-reference to s. 81.05.

4 **SECTION 6.** 60.23 (17) of the statutes is amended to read:

5 **60.23 (17)** CHANGE STREET NAMES. Name, or change the name of, any street in  
6 the town under s. ~~81.01 (11)~~ 82.03 (7).

7 **SECTION 7.** 60.24 (3) (n) of the statutes is repealed.

NOTE: Section 60.24 (3) (n) reads as follows: "Perform duties in connection with selection of jurors in actions relating to the taking of property to provide access to a cemetery, fairground, or land used for industrial expositions under s. 80.48 (3) and (4).". The special committee deleted current s. 80.48 because it concluded that the section was no longer necessary.

8 **SECTION 8.** 60.24 (3) (o) of the statutes is amended to read:

9 **60.24 (3) (o)** Sign orders for payment of work performed and materials  
10 furnished on town highways ~~under s. 81.04~~.

NOTE: This bill entirely deletes the language in current s. 81.04. Therefore, this section deletes the cross-reference.

11 **SECTION 9.** 60.24 (3) (p) of the statutes is amended to read:

12 **60.24 (3) (p)** See that all tunnels in the town are constructed under s. ~~81.35~~  
13 82.37 and that they are kept in good repair.

14 **SECTION 10.** 60.33 (10) of the statutes is amended to read:

15 **60.33 (10)** HIGHWAYS AND BRIDGES. Perform the duties specified in chs. ~~80~~ 82 to  
16 92, relating to highways, bridges and drains.

17 **SECTION 11.** 60.37 (4) (a) of the statutes is amended to read:

18 **60.37 (4) (a)** An elected town officer who also serves as a town employee may  
19 be paid an hourly wage for serving as a town employee, not exceeding a total of \$5,000  
20 each year. Amounts that are paid under this paragraph may be paid in addition to

**ASSEMBLY BILL 678**

1 any amount that an individual receives under s. 60.32 or as a volunteer fire fighter,  
2 emergency medical technician, or first responder under s. 66.0501 (4). The \$5,000  
3 maximum in this paragraph includes amounts paid to a town board supervisor who  
4 is acting as superintendent of highways under s. ~~81.01~~ 82.03 (1).

5 **SECTION 12.** 62.73 (1) of the statutes is amended to read:

6 62.73 (1) The common council of a 1st class city may vacate in whole or in part  
7 highways, streets, alleys, grounds, waterways, public walks and other public  
8 grounds within the corporate limits of the city that it determines the public interest  
9 requires to be vacated or are of no public utility, subject to s. ~~80.32 (4)~~ 66.1005 (2).  
10 Proceedings under this section shall be commenced either by a petition presented to  
11 the common council signed by the owners of all property which abuts the portion of  
12 the public facilities proposed to be vacated, or by a resolution adopted by the common  
13 council. The requirements of s. 840.11 apply to proceedings under this section.

14 **SECTION 13.** 66.1003 (2) and (3) of the statutes are amended to read:

15 66.1003 (2) The common council of any city, except a 1st class city, or a village  
16 or town board may discontinue all or part of a public way upon the written petition  
17 of the owners of all the frontage of the lots and lands abutting upon the public way  
18 sought to be discontinued, and of the owners of more than one-third of the frontage  
19 of the lots and lands abutting on that portion of the remainder of the public way  
20 which lies within 2,650 feet of the ends of the portion to be discontinued, or lies within  
21 so much of that 2,650 feet as is within the corporate limits of the city, village or town.  
22 The beginning and ending of an alley shall be considered to be within the block in  
23 which it is located. This subsection does not apply to a highway upon the line  
24 between 2 towns that is subject to s. ~~80.11~~ 82.21.

**ASSEMBLY BILL 678**

1           **(3)** The common council of any city, except a 1st class city, or a village or town  
2 board may discontinue all or part of an unpaved alley upon the written petition of  
3 the owners of more than 50% of the frontage of the lots and lands abutting upon the  
4 portion of the unpaved alley sought to be discontinued. The beginning and ending  
5 of an unpaved alley shall be considered to be within the block in which it is located.  
6 This subsection does not apply to a highway upon the line between 2 towns that is  
7 subject to s. ~~80.11~~ 82.21.

8           **SECTION 14.** 66.1003 (10) of the statutes is created to read:

9           66.1003 **(10)** Notwithstanding ss. 82.10 and 82.21, no city council or county,  
10 village, or town board may discontinue a highway when the discontinuance would  
11 deprive a landowner or a public school of all access to a highway.

NOTE: New s. 66.1003 is based on the last sentence of current s. 80.02, which reads:  
“No town board shall discontinue . . . any highway when such discontinuance would  
deprive the owner of lands of access therefrom to a highway” and on the last sentence of  
current s. 80.16 which reads: “No highway shall be discontinued when the effect of such  
discontinuance shall be to exclude a public school from access to the public highways.”.  
The special committee believes that, in practice, the current language applies to cities,  
counties, villages, and towns. Therefore, the new s. 66.1003 specifically includes cities,  
villages, and counties and moves the provision to ch. 66. No substantive change is  
intended.

12           **SECTION 15.** 66.1005 (title) of the statutes is created to read:

13           **66.1005** (title) **Reversion of title.**

14           **SECTION 16.** 66.1033 (1) and (3) of the statutes are created to read:

15           66.1033 **(1)** In this section:

16           (a) “Political subdivision” means a city, village, town, or county.

17           (b) “Public way” means a highway, street, slip, pier, or alley.

18           **(3)** For proceedings taken, or for plats, deeds, orders, or resolutions executed  
19 after the effective date of this subsection .... [revisor inserts date], except as provided  
20 in s. 840.11, no defect, omission, or informality in the proceedings of, or execution of

**ASSEMBLY BILL 678**

1 a plat, deed of dedication, order, or resolution by, a political subdivision shall affect  
2 or invalidate the proceedings, plat, deed, order, or resolution after 5 years from the  
3 date of the proceedings, plat, deed, order, or resolution. The public way dedicated,  
4 laid out, or altered by a defective or informal proceeding, plat, deed, order, or  
5 resolution shall be limited in length to the portion actually worked and used.

6 **SECTION 17.** Chapter 80 (title) of the statutes is repealed.

7 **SECTION 18.** 80.01 (title) of the statutes is repealed.

8 **SECTION 19.** 80.01 (1) (title) of the statutes is repealed.

9 **SECTION 20.** 80.01 (1) of the statutes is renumbered 82.01 (8) and amended to  
10 read:

11 **82.01 (8)** ~~In this section, “recorded~~ “Recorded highway” means a highway for  
12 which the order laying out or altering the highway, or a certified copy of the order,  
13 has been filed recorded in the office of the ~~clerk of the town or~~ register of deeds in the  
14 county in which the highway is situated or, for highways that were laid out or altered  
15 before the effective date of this subsection ... [revisor inserts date], in the office of the  
16 clerk of the town or the county in which the highway is situated.

NOTE: All but one of the definitions in s. 82.01 is new. The only term that is specifically defined in chs. 80 and 81 is “recorded highway”. That definition has been included with the modification that the order must be filed with the register of deeds rather than the town or county clerk. The term “widened” has been deleted throughout the bill because the special committee concluded that it was redundant of the term “altered”.

17 **SECTION 21.** 80.01 (1m) (title) of the statutes is renumbered 82.31 (title).

18 **SECTION 22.** 80.01 (1m) of the statutes is renumbered 82.31 (1) and amended  
19 to read:

20 **82.31 (1)** RECORDED HIGHWAYS. Any recorded highway that has been laid out

4 which the records have been lost or destroyed is presumed to be 66 feet wide.

5 **SECTION 23.** 80.01 (2) of the statutes is renumbered 82.31 (2), and 82.31 (2)  
6 (title), (b) and (c), as renumbered, are amended to read:

7 **82.31 (2)** (title) ~~UNRECORDED HIGHWAYS VALIDATED, EXCEPTION, GRANTS FOR~~  
8 ~~HIGHWAY PURPOSES, PRESUMPTIVE WIDTH.~~

9 (b) No road or bridge built upon the bottoms and sloughs of the Mississippi  
10 River by citizens or a municipality of any other state shall become a legal highway  
11 or a charge upon the town in which the road is located unless upon petition the  
12 highway is legally laid out by the town supervisors board.

13 (c) No lands granted for highway purposes that did not become a legal highway  
14 prior to July 1, 1913, shall become a legal highway unless the grant is accepted by  
15 the town board or by the town meeting of the town wherein where the lands and  
16 proposed highway are located, and until a resolution of acceptance of the grant is  
17 recorded in the office of the town clerk.

18 **SECTION 24.** 80.01 (3) of the statutes is renumbered 66.1037 and amended to  
19 read:

20 **66.1037 Beautification and protection.** No lands abutting on any highway,  
21 and acquired or held for highway purposes, shall be deemed discontinued for such  
22 ~~purpose~~ purposes so long as they abut on any highway. All lands acquired for

4 1931, may be acquired in any manner that lands may be acquired for highway  
5 purposes. It shall be unlawful for any person to injure any tree or shrub, or cut or  
6 trim any vegetation other than grass, or make any excavation in any highway laid  
7 out after ~~said date~~ June 23, 1931, or where the right to protect vegetation has been  
8 acquired, without the consent of the highway authorities and under their direction  
9 ~~but such.~~ The authorities shall remove, cut, or trim or consent to the removing,  
10 cutting, or removal trimming of any tree, shrub, or vegetation in order to provide  
11 safety to users of the highway.

NOTE: The inclusion of “other than grass” was made to ensure that property owners could trim grass near their property.

12 **SECTION 25.** 80.01 (4) (title) of the statutes is renumbered 66.1033 (title) and  
13 amended to read:

14 **66.1033** (title) ~~Highways, streets and alleys, piers, plats, curative~~  
15 Curative provisions.

16 **SECTION 26.** 80.01 (4) of the statutes is renumbered 66.1033 (2) and amended  
17 to read:

18 66.1033 (2) ~~Every street, highway and alley, pier and slip, dedicated or~~

23 ~~after the expiration of 5 years from the date of the deed, instrument, plat, order,~~

**ASSEMBLY BILL 678****SECTION 26**

1 ~~resolution or other final proceeding had or taken to effectuate such purpose. No For~~  
 2 ~~proceedings taken, or for plats, deeds, orders, or resolutions executed before the~~  
 3 ~~effective date of this subsection .... [revisor inserts date], notwithstanding s. 840.11,~~  
 4 ~~no defect, omission or informality in the proceedings of, or execution of any a plat or,~~  
 5 ~~deed of dedication or in any proceedings, order, or resolution on the part of such~~  
 6 ~~authorities for the purposes aforesaid by, a political subdivision shall affect or~~  
 7 ~~invalidate such the proceedings, plat, deed, order, or resolution or proceeding, after~~

 9 ~~order, or resolution; provided, the street or alley. The public way dedicated, laid out,~~  
 10 ~~or altered by such a defective, or informal proceeding, plat, deed, proceeding, order,~~  
 11 ~~or resolution, shall be limited in length to the portion actually worked and used~~  
 12 ~~thereunder.~~

NOTE: The following language was repealed because the special committee decided it was redundant of the rest of the provision: "Every street, highway and alley, pier and slip, dedicated or attempted and intended to be dedicated in any plat or laid out, altered, vacated, or discontinued, or attempted or intended to be laid out, altered, vacated, or discontinued by the authorities of any county, town, city, or village shall be held to have been lawfully so dedicated, laid out, altered, vacated, or discontinued from and after the expiration of 5 years from the date of the deed, instrument, plat, order, resolution, or other final proceeding had or taken to effectuate such purpose."

The new s. 66.1029 attempts to resolve a conflict between current s. 80.01 (4) and current s. 840.11. Current s. 840.11 requires any person applying to lay out, widen, vacate, or extend a highway to file a notice of the pendency of the application. Failure to file the notice renders all proceedings based on the application void. Current s. 80.01 (4), however, appears to cure all defects and procedural errors after 5 years. The special committee discussed whether one of the provisions should overrule the other and decided on a compromise. Under the new s. 66.1029 a failure to comply with s. 840.11 prior to the effective date of the act will not void an action. But, after the effective date of the act, the new s. 66.1029, would cure all defects except a failure to comply with s. 840.11.

13 **SECTION 27.** 80.01 (5) of the statutes is renumbered 66.1024 and amended to  
 14 read:

15 **66.1024 Effect of reservation or exception in conveyance.** Whenever a  
 16 an executed and recorded deed, land contract, or mortgage of lands abutting on an  
 17 existing public street, highway, or alley or a projected extension thereof hereafter

2 street, highway, or alley purposes, ~~such~~ the reservation or exception shall constitute  
3 a dedication for such purpose to the public body having jurisdiction over ~~such~~ the  
4 highway, street, alley, or projected extension thereof, unless the language of ~~such~~ the  
5 reservation or exception plainly indicates an intent to create a private way. ~~Such~~  
6 ~~dedication may be~~ Any reservation or exception shall not be effective until it is  
7 accepted by a resolution of the governing body having jurisdiction over such street,  
8 highway, alley, or projected extension thereof.

NOTE: The special committee decided that s. 80.01 (5) was more appropriately placed in ch. 66. The last sentence of new s. 66.1024 was changed to make clear that the reservation must be accepted by the governing body.

9 **SECTION 28.** 80.02 (title) of the statutes is repealed.

10 **SECTION 29.** 80.02 of the statutes is renumbered 82.10 (1) (intro.) and amended  
11 to read:

12 **82.10 (1)** APPLICATION FOR HIGHWAY CHANGES. (intro.) ~~When 6~~ Six or more  
13 resident freeholders ~~wish~~ may apply to the town board to have a highway laid out,  
14 ~~widened, altered, or discontinued in their town, they may make application in~~  
15 ~~writing to the supervisors of said town for that purpose.~~ The application may shall  
16 be in writing and shall be delivered to any supervisor ~~or to the town clerk.~~ In case  
17 ~~the application is for the discontinuance of all or of a part of any highway, and it is~~  
18 ~~desired, as permitted by s. 80.05, to omit from the notice the description of the lands~~  
19 ~~abutting upon such highway which will be benefited, injured or damaged by the~~  
20 ~~discontinuance of such highway or any part thereof, the~~ The application shall  
21 contain the all of the following:

22 (a) A legal description of the lands abutting upon such highway which will be  
23 benefited, injured or damaged by the discontinuance of such highway or any part

**ASSEMBLY BILL 678****SECTION 29**

1 ~~thereof and shall be delivered to the town clerk with a request in writing that such~~  
2 ~~application remain on file with the clerk until the time set for hearing for reference~~  
3 ~~and inspection by any parties concerned. When all the owners of lands abutting on~~  
4 ~~the part of a highway sought to be altered, desire such alteration, and the supervisors~~  
5 ~~are of the opinion that the public will not be materially affected by such alteration,~~  
6 ~~the board may make the same, and may take into consideration donations of money,~~  
7 ~~land or services for the making of such alterations. When the laying out of a highway~~  
8 ~~would require the construction of a bridge costing more than \$1,000, exclusive of~~  
9 ~~donations, the order of the supervisors laying out such highway shall not be effective~~  
10 ~~unless approved by the electors of the town, and an estimate by the department of~~  
11 ~~transportation shall be conclusive of the cost of such bridge for the purposes of this~~  
12 ~~section. No town board shall discontinue any part of a state trunk or county trunk~~  
13 ~~highway, nor discontinue any highway when such discontinuance would deprive the~~  
14 ~~owner of lands of access therefrom to a highway to be discontinued or of the proposed~~  
15 ~~highway to be laid out or altered.~~

NOTE: Under current law, an application for laying out or altering, can be delivered to either a supervisor or the town clerk, while an application for discontinuance can only be delivered to the town clerk. Under the bill, all applications must be delivered to the town clerk.

Under current s. 80.02, an application for discontinuance must contain a description of the lands that will be benefited, injured, or damaged by the discontinuance only if “it is desired” to exclude such a description from the notice. However, it is the supervisors who make the notice and the freeholders who make the application. Thus, the use of “it is desired” creates an ambiguity as to who wants to exclude the description from the notice. New s. 82.10 (1) requires all applications to contain a legal description of the highway and a scale map of the affected land.

The last 2 sentences of current s. 80.02 are not included in the new s. 82.10. The sentence concerning electors approving construction costing more than \$1,000 was deleted because the special committee decided that the dollar amount was obsolete. The prohibition on discontinuing a state trunk or county trunk highway was deleted because the special committee decided it was unnecessary since the town does not have jurisdiction over those highways. The prohibition on discontinuing a highway where such discontinuance would deprive a landowner of highway access has been moved to new s. 66.1003 (10).

The 3rd-to-last sentence of current s. 80.02 has been left out of this bill because the special committee decided it was unnecessary. The sentence reads: “When all the

**ASSEMBLY BILL 678**

owners of lands abutting on the part of a highway sought to be altered, desire such alteration, and the supervisors are of the opinion that the public will not be materially affected by such alteration, the board may make the same, and may take into consideration donations of money, land or services for the making of such alterations.”.

1       **SECTION 30.** 80.025 of the statutes is renumbered 82.29 and amended to read:

2       **82.29 Highways abutted by state park lands; discontinuance or**  
3 **relocation.** Any part of a highway lying wholly within state park lands may be  
4 discontinued or relocated by the state agency having jurisdiction over ~~such abutting~~

7 highway and upon approval by the supervisors municipality after holding a hearing  
8 as provided in s. 80.05 ~~unless such 82.10.~~ No discontinuance or relocation would  
9 under this section may deprive any other owner of lands a landowner of all highway  
10 access thereto from a highway. This section does not apply to state trunk highways  
11 or connecting highways.

12       **SECTION 31.** 80.03 of the statutes is repealed.

13       **SECTION 32.** 80.04 (title) of the statutes is repealed.

14       **SECTION 33.** 80.04 of the statutes is renumbered 82.11 (2) and amended to read:

15       82.11 (2) (a) No supervisor town official may act in laying out, altering,  
16 widening or discontinuing any a highway in which the supervisor may be personally  
17 interested if acting would result in a violation of the code of ethics under s. 19.59 or  
18 of a local ordinance enacted under s. 19.59 (1m). ~~If one supervisor is interested the~~  
19 ~~other 2 supervisors~~ a town official is prevented from acting, the remaining town

21 ~~matter.~~

22       (b) Whenever Every town shall have a written policy on how the town board

**ASSEMBLY BILL 678****SECTION 33**

1 ~~a the town, the application authorized by s. 80.02 may be made to the county board,~~  
2 ~~which shall promptly appoint a committee of 3 of its members. The committee shall~~  
3 ~~act upon the who are able to act on the application in the same manner and with the~~  
4 ~~same powers in every respect as the supervisors of the town might do or resolution.~~  
5 ~~In the absence of a policy, the town clerk may act. If the town clerk is prevented from~~  
6 ~~acting, the treasurer may act.~~

NOTE: The special committee decided to eliminate the process of applying to the county under current s. 80.04 (2). Instead, the special committee decided to allow the town board to formulate its own plan to deal with situations where there is a conflict of interest. In the absence of such a plan, new s. 82.11 (2) authorizes the town clerk and treasurer to act in turn.

7 **SECTION 34.** 80.05 (title) of the statutes is renumbered 82.10 (3) (title) and  
8 amended to read:

9 **82.10 (3)** (title) NOTICE OF MEETING; SERVICE AND PUBLICATION REQUIREMENTS.

10 **SECTION 35.** 80.05 (1) of the statutes is renumbered 82.10 (3) and amended to  
11 read:

12 **82.10 (3)** ~~On Upon receipt of an application made to supervisors for laying out,~~  
13 ~~widening, altering or discontinuing any highway the supervisors shall prepare a~~

3 ~~the application has been delivered and a scale map of the land that would be affected~~  
4 ~~by the application or resolution.~~

5 **SECTION 36.** 80.05 (2) (intro.) and (c) of the statutes are repealed.

6 **SECTION 37.** 80.05 (2) (a) of the statutes is renumbered 82.10 (4) (a) (intro.) and  
7 amended to read:

8 **82.10 (4) (a) (intro.)** The town board or, at the town board's direction, the  
9 applicants shall publish a class 3 notice under ch. 985 and shall, at least 10 30 days  
10 prior to the date of before the hearing, give notice by registered mail to all occupants  
11 and of the following:

12 1. The owners of record of lands through which the highway may pass or, if the  
13 application is for discontinuance, to the occupants and to the,

14 2. The owners of record of all lands abutting on the highway.

15 **SECTION 38.** 80.05 (2) (b) of the statutes is renumbered 82.10 (4) (a) 3. and  
16 amended to read:

17 **82.10 (4) (a) 3.** ~~Give notice by registered mail to the~~ The department of natural  
18 resources ~~and to the,~~

19 4. The county land conservation committee in each county through which the  
20 highway may pass.

NOTE: Section 82.10 is based on current ss. 80.02 and 80.05.

The type of notice required has been changed from a class 2 to a class 3, and notices by registered mail have been changed from 10 days before the hearing to 30 days before the hearing. These changes were made to make the timeliness more reasonable and to be consistent with ch. 66. In addition, the special committee decided that if the procedures are begun by an application, the cost of publishing a notice should be borne by the applicants.

Except as noted, no substantive change is intended.

21 **SECTION 39.** 80.06 (title) of the statutes is repealed.

**ASSEMBLY BILL 678**

1           **SECTION 40.** 80.06 of the statutes is renumbered 82.11 (1) and amended to read:

2           82.11 (1) The town supervisors shall meet at the time and place stated in their  
3 notice, and upon being satisfied that the notices required in s. ~~80.05~~ have been duly  
4 given, ~~proof of which may be shown by affidavit or otherwise as they may require,~~  
5 ~~shall proceed to examine personally such~~ examine the highway, and shall hear any  
6 reason that may be offered for or against laying out, widening, altering or

8 subject of an application or resolution under s. 82.10. At the time and place stated  
9 in the notice under s. 82.10, the town board shall hold a public hearing to decide, in  
10 its discretion, whether granting the application and shall grant or refuse the same  
11 as they shall deem best for the public good; and they may adjourn from time to time,  
12 not exceeding in all 30 days from the time of the first meeting, giving public notice  
13 of the time and place of such adjournment when made, and by forthwith filing notice  
14 of such adjournment in the office of the town clerk or resolution is in the public  
15 interest. Before the town board holds a public hearing on or takes any action on the  
16 application or resolution, the town board must be satisfied, by affidavit of the  
17 applicant or otherwise, that the notices in s. 82.10 (4) have been given.

NOTE: The language from current s. 80.06 specifying how the supervisors may adjourn for a period not exceeding 30 days was not carried into this bill because the special committee decided that it was unnecessary.

18           **SECTION 41.** 80.07 (title) of the statutes is repealed.

19           **SECTION 42.** 80.07 (1) and (2) of the statutes are consolidated, renumbered  
20 82.12 (2) and amended to read:

21           82.12 (2) ~~When the supervisors~~ If the board determines under sub. (1) to lay

1 survey thereof to be made when necessary. The highway order shall be filed and  
2 recorded in the office of with the register of deeds for the county in which the highway  
3 is or will be located and shall be filed with the town clerk, who shall note in the record  
4 the time of recording. The order together with the award of damages shall be so filed  
5 within 10 days after the date fixed by their notice or adjournment for deciding upon  
6 the application. In case the supervisors fail to file the order and award within the  
7 10 days aforesaid they shall be deemed to have decided against the application.  
8 When an order has been filed for more than 30 years and no award of damages or  
9 agreement or release has been filed and when the highway, or a part thereof, has been  
10 used by the public and public money has been expended thereon, for at least 5 years,  
11 it shall be presumed that a release was given by the owners of the lands over which  
12 the highway was laid out and the public shall be entitled to use the full width of the  
13 highway, as laid out, without further compensation. (2) Whenever the supervisors

15 a certified copy of the order therefor to the county highway commissioner. If the town  
16 has an official map, the order shall be incorporated into the official map.

NOTE: The special committee did not carry over from current s. 80.07 the following language: "In case the supervisors fail to file the order and award within the 10 days aforesaid, they shall be deemed to have decided against the application.". The special committee decided that this might allow a town board to change its mind after a public decision had been made.

17 **SECTION 43.** 80.08 of the statutes is renumbered 82.18 and amended to read:  
18 **82.18 Width of highways.** Except as otherwise provided in s. ~~80.13~~ this  
19 chapter, highways laid out under this chapter shall be laid out at least 49.5 66 feet  
20 wide, and when unless, in the town board's discretion, that width is impractical. If  
21 the town board determines that a 66-foot width is impractical, the width shall be

**ASSEMBLY BILL 678**

1 determined by the town board but shall be at least 49.5 feet in width. When no width  
2 is specified in the highway order, the highway shall be 66 feet wide.

NOTE: Current law sets the minimum width at 49.5 feet. New s. 82.18 sets the minimum width at 66 feet, however, the language also gives the board the option to lay a narrower highway if it determines that 66 feet is impractical.

25 **SECTION 55.** 80.11 (8) of the statutes is repealed.

**ASSEMBLY BILL 678**

1           **SECTION 56.** 80.12 (title) of the statutes is repealed.

2           **SECTION 57.** 80.12 (1) of the statutes is repealed.

3           **SECTION 58.** 80.12 (2) of the statutes is renumbered 82.21 (3) and amended to  
4 read:

5           82.21 **(3)** APPOINTMENT OF CITY OR VILLAGE COMMISSIONERS. Upon receipt of an  
6 application under sub. (1), ~~the common or introduction of a resolution, the city~~  
7 council or village board of trustees shall may appoint 3 commissioners ~~on the part~~  
8 to act on behalf of the affected city or village in all respects. The commissioners shall  
9 be duly sworn to faithfully discharge their duties as commissioners before entering  
10 upon those duties. ~~The commissioners and town supervisors shall then give notice~~  
11 ~~and proceed in all respects as provided in s. 80.11.~~

12           **SECTION 59.** 80.12 (3) and (4) of the statutes are repealed.

13           **SECTION 60.** 80.12 (5) of the statutes is renumbered 82.21 (6) and amended to  
14 read:

15           82.21 **(6)** WHERE PAPERS FILED. ~~All proceedings and orders awards, notices, and~~  
16 papers required to be filed ~~and recorded~~ shall be filed ~~and recorded~~ in the office of the  
17 clerk of the each affected city, ~~village or town~~ municipality. Any highway orders  
18 issued under this section shall be recorded with the register of deeds for any county  
19 in which the highway is or will be located.

NOTE: Section 82.21 is based on current ss. 80.11 (1) through (6) and 80.12. Current s. 80.12 is ambiguous as to whether the procedure in that section is the exclusive procedure for laying, altering, or discontinuing a highway on the line between a town and a city or village, or whether it merely provides a means to allow citizens to petition their municipal governments. The special committee decided to resolve the ambiguity in favor of making the provision the exclusive means. In addition, the special committee allowed the governing body of each municipality to initiate the procedures in different manners.

The special committee decided not to carryover current s. 80.11 (4) which vacated an apportionment in certain situations. The special committee decided that current s. 80.11 (4) was unnecessary and could cause a gap in the responsibility for a highway. Any reapportionment that is necessary should be covered under the provision allowing a reapportionment in situations where the current apportionment is judged to be

**ASSEMBLY BILL 678**

inequitable or impracticable. However, the special committee changed the language to allow one municipality to petition the court for reapportionment if that municipality feels the current apportionment is inequitable. The appealing municipality must serve a copy of the application on any affected municipality.

The following language from s. 80.11 (1) was not carried over to this bill because the special committee decided it was unnecessary: “If the highway is laid out or altered, it may be either upon or as near to the town line as the situation of the ground will admit. The supervisors of the 2 towns acting together may vary the location on either side of the town line as they consider to be necessary.”.

Current s. 80.12 (4) was entirely deleted because the committee decided it was unnecessary. Current s. 80.12 (4) reads as follows: “The municipalities responsible for a municipal line highway may cause any municipal line highway or part of a municipal line highway that is not less than 264 feet in length, to be graded, paved, macadamized or otherwise improved, including the establishment of the grade, construction of curbs and gutters and installation of water and sewer mains and service pipes. The municipalities may levy special assessments for the whole or any part of the cost of the improvements as a tax upon the property that they determine is especially benefited by the improvements initiated under this subsection, in the manner provided in s. 66.0703.”.

The new s. 82.21 changes the obligation of a city or village to appoint commissioners from mandatory to permissive.

1           **SECTION 61.** 80.125 of the statutes is renumbered 82.28 and amended to read:  
2           **82.28 Highways and bridges on state boundaries.** ~~A town or county~~ The  
3           board of any town or county that is bounded in part by a river; or by a highway, ~~either~~  
4           ~~of which~~ that is also a state boundary line may enter into an agreement with the any  
5           adjoining municipality or county in such the other state for the maintenance and,  
6           construction, and reconstruction of boundary line highways and bridges and ~~for the~~  
7           ~~maintenance and reconstruction of any boundary line highway including its bridges,~~  
8           ~~by appropriation therefor not exceeding 50% of the total costs assignable to the~~  
9           ~~boundary line facility.~~ The costs shall be apportioned by agreement.

NOTE: The current law seems to limit the town or county to paying 50% of the costs. The special committee decided that it would be more appropriate to allow the local government to decide how much it is willing to pay. Thus, the new s. 82.28 states that the apportionment shall be by agreement.

10           **SECTION 62.** 80.13 (title) of the statutes is repealed.

11           **SECTION 63.** 80.13 (1) of the statutes is renumbered 82.27 (3) and amended to

16 **SECTION 71.** 80.15 of the statutes is renumbered 82.27 (8) (a) and amended to  
17 read:

4     ~~highway laid out pursuant to this section subsection, nor shall the town be liable for~~  
5     ~~any accident or injury thereon on a highway laid out under this subsection.~~

NOTE: Section 82.27 (1) through (7) is based on current ss. 80.13 and 80.14.

In s. 82.27 (4) (c), there is new language specifying that a turnaround, if necessary, should be constructed on the applicant's land. The special committee decided that this was a fair way to distribute the displacement of the highway. Since the applicant's land is primarily being benefited, the special committee felt it would be unfair to the landowner whose land is being taken, to construct a turnaround on the taken land as well.

In s. 82.27 (3), the width of roads has been changed. Current s. 80.13 (3) (a) requires the road to be between 33 and 49.5 feet wide. New s. 82.27 (4) requires a newly laid out road to be at least 66 feet wide.

In s. 82.27 (5), administrative costs and per diems were added as costs that could be charged to the applicant, and the language was changed to allow only half of these costs to be charged to the applicant when the application is refused.

Section 82.27 (7) and (8) (c) add a time requirement for when the applicant must pay the advantages. Current ss. 80.13 (4) and 80.14 only require the applicant to pay the amount determined as advantages before the order is filed. Current s. 80.07 (1) states that a failure to file an order within 10 days of the board's decision is deemed a refusal of the application. In *Northern States Power Company v. Town of Hunter*, 57 Wis. 2d 118, the Wisconsin Supreme Court stated that the 10-day limitation should apply to s. 80.14 to prevent the landowner whose land is taken from being in limbo as to whether the land would actually be taken. Since the special committee deleted the 10-day limitation in current s. 80.07 (1), the special committee decided there needed to be a time limit in new s. 82.27 (7) and (9) (c). New s. 82.27 requires the applicant to pay the advantages within 30 days; the order shall be recorded within 10 days of payment.

Section 82.27 (8) is based on current s. 80.15. No substantive change is intended.

6             **SECTION 72.** 80.16 of the statutes is renumbered 82.13 and amended to read:  
7             **82.13 Shut-off Highways to school buildings; how laid.** ~~Whenever Upon~~  
8     ~~being notified that a public school in any a town is shut off from all public highways~~  
9     ~~lacks highway access, the supervisors of the town board shall lay out a highway to~~  
10    ~~the site thereof public school, using the procedures in this subchapter. No~~  
11    ~~application for such the highway shall be necessary, but in every other respect the~~  
12    ~~procedure for laying out an ordinary town highway shall be pursued. No highway~~  
13    ~~shall be discontinued when the effect of such discontinuance shall be to exclude a~~

**ASSEMBLY BILL 678**

1 public school from access to the public highways. Section ~~80.22~~ 82.12 (3) shall not  
2 apply to proceedings under this section.

3 **SECTION 73.** 80.17 (title) of the statutes is repealed.

4 **SECTION 74.** 80.17 of the statutes is renumbered 82.12 (1) and amended to read:

5 **82.12 (1)** ~~Any order of the town supervisors laying out, altering, widening or~~  
6 ~~discontinuing any highway, or refusing so to do, is subject to judicial review under~~  
7 ~~s. 68.13, except that only a person aggrieved by the order or determination may seek~~  
8 ~~review. Failure of the supervisors to file their decision upon~~ A town board shall make  
9 a determination upon any application or resolution to lay out, alter, widen or  
10 discontinue any highway within ~~60~~ 90 days after receipt of the application is made  
11 shall be deemed a refusal of the application. ~~In case of highways upon a line between~~  
12 ~~2 counties the appeal may be made to the circuit court of either county or introduction~~  
13 of a resolution.

14 **SECTION 75.** 80.22 (title) of the statutes is repealed.

15 **SECTION 76.** 80.22 of the statutes is renumbered 82.12 (3) and amended to read:

16 **82.12 (3)** ~~The determination refusing to lay out, alter, widen or discontinue any~~  
17 not to issue a highway order shall be final, ~~unless appealed from, for the term of one~~  
18 ~~year after the making of such determination; and no other.~~ No application for laying  
19 out, widening, altering or discontinuing any such to lay out, alter, or discontinue a  
20 highway shall be acted upon filed within said term of one year from the date of a  
21 determination not to issue a highway order covering the highway or portion of the  
22 highway covered in the refused application.

NOTE: The time limit in new sub. (1) for acting on an application or resolution has  
been increased from 60 to 90 days. The committee decided that it was more practical to  
allow 90 days. In addition, the language requiring the town to incorporate the order into  
its official map is new.

23 **SECTION 77.** 80.23 (title) of the statutes is renumbered 82.20 (title).

**ASSEMBLY BILL 678**

1           **SECTION 78.** 80.23 (1) of the statutes is renumbered 82.20 (1) and amended to  
2 read:

3           **82.20 (1)** ~~Whenever pursuant to this chapter any highway is laid out, widened~~  
4 ~~or altered~~ If the town board issues an order to lay out or alter a highway through  
5 enclosed, cultivated, or improved lands and the determination has not been appealed  
6 from, the town board or highway authorities superintendent shall give the owner or  
7 occupant of the lands through which the proposed highway will pass written notice  
8 of its, his, or her intent to remove the fences located on the highway within a time  
9 determined by the highway authorities to be reasonable, but in the path of the new  
10 or altered highway. The notice shall state when the town board or highway  
11 superintendent intends to remove the fences, which shall not be less than 30 days  
12 after giving from the date on which the notice was given to the owner or occupant.  
13 If the owner or occupant does not remove the fences within before the time required  
14 by stated in the notice, the town board or highway authorities superintendent shall  
15 remove the fences and direct the highway to be opened. If the determination has  
16 been appealed from, may charge the landowner for the costs of the removal under s.  
17 66.0627.

18           **(2)** ~~The notice under sub. (1) shall be given after the final decision of the not~~  
19 be sent until the time for filing an appeal under s. 82.15 has expired and no appeal  
20 was taken or until all appeals under s. 82.15 have been brought to a final  
21 determination.

NOTE: Language was added in new sub. (1) to allow the town to charge the  
landowner for the removal of the landowner's fences.

22           **SECTION 79.** 80.23 (2) of the statutes is renumbered 82.20 (3) and amended to  
23 read:

**ASSEMBLY BILL 678**

1           82.20 (3) This section does not authorize the opening of a highway through  
2 enclosed, cultivated, or improved lands or the removal of fences between May 15 and  
3 September 15, except in cases of emergency to be determined by the highway  
4 authorities town board.

5           **SECTION 80.** 80.24 to 80.30 of the statutes are repealed.

NOTE: The special committee decided to eliminate the provisions for acquiring land in chs. 80 and 81 in favor of requiring the town to utilize the procedures under s. 32.05. As a result, the following provisions were not carried over into this bill: ss. 80.09, 80.10, 80.30 (1), and 80.24 through 80.29.

6           **SECTION 81.** 80.31 (title), (1) and (2) of the statutes are repealed.

7           **SECTION 82.** 80.31 (3) of the statutes is renumbered 82.14 (2) and amended to  
8 read:

9           82.14 (2) ~~In case any~~ If lands taken acquired by contract or condemnation for  
10 highway purposes shall be are encumbered, and the owners of the fee and of the  
11 encumbrance shall do not agree upon the division to be made between them on the  
12 allocation of any damages to be paid on account of such due to the taking, said the  
13 damages may be paid to the clerk of the circuit court of the county, and when so paid  
14 may be apportioned among the parties entitled thereto by said court upon in which  
15 the land is located. Upon the application of any party interested party and upon not  
16 less than 5 days' written notice to the other party, the court may apportion the  
17 damages paid to the clerk among the parties.

New s. 82.14 (2) is based on current s. 80.31. The language from current s. 80.31 (3) was modified to eliminate the reference to condemnation because ch. 32 has provisions to deal with where and when money is paid.

18           **SECTION 83.** 80.32 (title) of the statutes is renumbered 82.19 (title) and  
19 amended to read:

NOTE: The special committee had lengthy discussions about what to do with  
current s. 80.32 (2). The special committee finally decided to retain the provision, but to  
modify it so that it is limited to vehicular travel. The intent is to exclude the use of a road  
for hiking or berry picking as a means of keeping a highway open.

2           **SECTION 105.** Chapter 81 (title) of the statutes is repealed.

1           **SECTION 109.** 81.01 (3) of the statutes is renumbered 82.03 (2), and 82.03 (2)

24                           FOR SPENDING                              AGAINST SPENDING

**ASSEMBLY BILL 678**

NOTE: In new s. 82.03 (2) (b), the ballot language has been changed. The change in the wording of the ballot makes the ballot include the actual amount that the town is already authorized to spend. Current law seems to only require a statement of the means by which the dollar limit is arrived at. The list of materials in current s. 81.06 has been added to new s. 82.03 (2).

1           **SECTION 110.** 81.01 (4) of the statutes is renumbered 82.03 (3) and amended  
2 to read:

18           2. To erect or remove snow fences ~~as may be necessary~~ to keep highways  
19 reasonably free from snow and open for travel during the winter season.

NOTE: The new s. 82.03 (5) is also based on current s. 81.01 (3) and the first one-third of current s. 81.06. It gives the supervisors the additional authority to enter private land in order to erect fences on the right-of-way. The new sub. (6) makes it clear that the town will be responsible for any resulting damages.

**ASSEMBLY BILL 678**

1           **SECTION 114.** 81.01 (11) of the statutes is renumbered 82.03 (7) and amended

8           **SECTION 116.** 81.02 of the statutes is renumbered 82.03 (1) (b) and amended  
9 to read:

10           **82.03 (1) (b)** The town board may appoint more than one superintendent of  
11 highways. If more than one superintendent is appointed, the town board shall divide  
12 the town into as many districts as there are superintendents. The districts shall be  
13 numbered and a superintendent shall be assigned to each district. ~~The term of office~~  
14 ~~of highway superintendents shall be one year from the date of their appointment.~~

NOTE: In new s. 82.03 (1), language was included to state that the superintendent of highways could be a member of the town board. Current s. 60.37 (4) (a) already authorizes this.

**ASSEMBLY BILL 678**

1           **SECTION 117.** 81.03 (title) of the statutes is renumbered 82.05 (title) and  
2 amended to read:

3           **82.05 (title) Superintendent of highways; duties.**

4           **SECTION 118.** 81.03 of the statutes is renumbered 82.05 (2) and amended to  
5 read:

6           82.05 (2) The superintendent of highways shall supervise the construction and  
7 maintenance of all highways in the superintendent's district that are required to be  
8 maintained by the town, and keep them passable at all times, and perform such other

22 use of any highway in under the superintendent's district charge, the  
23 superintendent, or in the absence of a superintendent the chairperson of the town  
24 board, shall as soon as practicable take action to make the highway safe for travel,  
25 which may include closing the highway.

**ASSEMBLY BILL 678**

NOTE: Current s. 81.03 seemed to contemplate the superintendent having a separate set of accounting books and paying and receiving money. The special committee decided that such a system had the potential for fraud and confusion. Instead, new s. 82.05 (4) simply requires the superintendent to report all actions to the board, and the board can handle making and receiving payments.

In new sub. (3), the language has been changed from “notice” to “actual notice”.

1           **SECTION 119.** 81.04 of the statutes is repealed.

2           **SECTION 120.** 81.05 of the statutes is repealed.

NOTE: The special committee repealed s. 81.05 because it believed that it was no longer used by towns.

3           **SECTION 121.** 81.06 (title) of the statutes is repealed.

4           **SECTION 122.** 81.06 of the statutes is renumbered 82.03 (5) (a) and amended  
5 to read:

6           82.03 (5) (a) The town board supervisors may enter upon any lands near any  
7 highway in the town and there to construct necessary drains or ditches or

16           **SECTION 123.** 81.07 of the statutes is repealed.

17           **SECTION 124.** 81.08 (title) of the statutes is renumbered 82.35 (title).

18           **SECTION 125.** 81.08 (1) of the statutes is renumbered 82.35 (1) (a) and amended  
19 to read:

**ASSEMBLY BILL 678**

1           82.35 (1) (a) When any highway shall ~~be~~ is practically impassable or be  
2 dangerous to travel ~~or when it shall be deemed~~.

3           (b) When the town board considers it necessary on account of construction or  
4 repair work thereon or for other reasons to suspend travel thereon or upon on a  
5 highway or on any part of such a highway, the town board may upon its own motion  
6 lay out and open temporary highways for the accommodation of public travel through  
7 any lands due to construction, repair, or other reasons.

8           (2) (a) The board may contract in writing with the owner or occupant, or both,  
9 lessee of any land through which it proposes to lay out such a temporary highways  
10 highway, as to the location of the same highway, and the damages that the owner or  
11 occupant lessee is to receive, which. The contract shall be filed with the town clerk.

12           (b) In the absence of such a contract under par. (a), the board shall determine  
13 by the location of the temporary highway and the award of damages. Unless an  
14 emergency exists, the board shall serve the landowner with notice of the location of  
15 the highway and the award of damages and shall provide the landowner with 48  
16 hours to object. The town board shall file a written order filed with the town clerk  
17 both specifying the location of the temporary highway and the damages, and may  
18 immediately open such temporary highways. Such highways awarded.

19           (4) A temporary highway shall exist only so long as needed and shall be deemed  
20 considered vacated and discontinued when the permanent highway is again opened  
21 for public travel.

NOTE: The special committee was concerned that current law does not satisfy due  
process. Unless there is an emergency, new s. 82.35 requires notice to the landowner and  
48 hours to object.

22           **SECTION 126.** 81.08 (2) of the statutes is renumbered 82.35 (2) (c) and amended  
23 to read:

**ASSEMBLY BILL 678**

1           82.35 (2) (c) The owner or occupant of any land occupied by such a temporary  
2 highway may, at any time after it is opened and within 30 days after it is so vacated  
3 or discontinued, apply to the town board to determine the owner's or occupant's  
4 damages; and thereafter the same proceedings may be had as in the case of a claim  
5 for damages under s. 81.07.

6           **SECTION 127.** 81.08 (3) of the statutes is renumbered 82.35 (3) and amended  
7 to read:

8           82.35 (3) ~~In case such~~ If a temporary highway is opened in connection with or  
9 on account of road and or bridge construction, the damages agreed upon or awarded  
10 pursuant to this section may be treated as part of the construction cost and paid out  
11 of the construction funds ~~in the customary manner of disbursing the same.~~

12           **SECTION 128.** 81.11 (title) and (1) to (4) of the statutes are repealed.

13           **SECTION 129.** 81.11 (5) of the statutes is renumbered 82.25 and amended to  
14 read:

15           **82.25 Highway taxes for limited-use road.** The Notwithstanding s. 60.10  
16 (1) (a) and (2) (a), the town board, upon its own authority and without direction from  
17 the annual town meeting, may levy and collect a tax on property located in a recorded  
18 and filed plat that existed on January 1, 2003, situated in a town requiring the  
19 approval of such town board, and adjoining a private road used by the public located  
20 therein, and on property adjoining, where the owner regularly uses such road which  
21 is not a portion of any town, county, state, or federal highway system, not exceeding  
22 3 mills for each dollar of assessed valuation thereof. The proceeds of such ~~such~~ the tax  
23 shall be expended for the improvement and maintenance of any private roads used  
24 by the public located within ~~such~~ the recorded and filed plat. The town board shall

**ASSEMBLY BILL 678**

1 not expend any of such ~~the~~ funds collected under this section upon a private  
2 driveway.

NOTE: Section 82.25 is based on current s. 81.11 (5). The language was changed to limit its application to plats in existence on January 1, 2003. Subsections (1) through (4) of current s. 81.11 were deleted because the special committee decided that they were obsolete.

Current ss. 81.12 and 81.39, 80.30 (2) through (5), and the 2nd-to-last sentence of s. 80.02 were not carried over into this bill. The special committee decided that these provisions were obsolete or better covered by other parts of the statutes.

3 **SECTION 130.** 81.12 of the statutes is repealed.

4 **SECTION 131.** 81.14 (title) of the statutes is renumbered 66.1029 (title) and  
5 amended to read:

6 **66.1029** (title) ~~Highways; refusal of town to open; appeal to county~~  
7 ~~board; cost of opening~~ Appeal of the refusal to open or repair a highway or  
8 bridge.

9 **SECTION 132.** 81.14 (1) of the statutes is renumbered 66.1029 (1) (a) and  
10 amended to read:

11 66.1029 (1) (a) ~~If any town, or towns in case of a town line highway, either by~~  
12 ~~the proper officers, or by a majority vote of the electors voting on such question,~~

**ASSEMBLY BILL 678**

1           **(b)** For the purpose of this section ~~all~~, highways on city, village, or town lines,  
2 ~~which shall that~~ have been apportioned between the respective cities, villages, or

8           **(c)** Upon receipt of an appeal, the county board shall, at the next regular  
9 meeting, either by a majority of its members or by a committee of not less than 3,  
10 examine such highway or bridge, ~~and if they determine that it ought to be put in~~  
11 ~~reasonable condition for travel or ought to be repaired,~~ If it determines that the  
12 appeal should be granted, the county board shall thereupon appropriate therefor  
13 sufficient funds to defray the estimated cost of opening or repairing the highway or  
14 building or repairing the bridge, and the chairperson of the county board shall cause  
15 the highway to be opened and put in reasonable condition for travel or cause the  
16 bridge to be repaired or built, and shall keep an accurate account of the expense  
17 thereof, ~~and such.~~ The expense, when audited and allowed by the county board, shall  
18 be charged to the ~~town and~~ affected cities, villages, or towns in amounts and  
19 proportions that the county board shall determine and shall be added to the next  
20 county tax apportioned thereto and collected therewith.

21           **SECTION 133.** 81.14 (2) of the statutes is renumbered 66.1029 (2) and amended  
22 to read:

23           **66.1029 (2)** If any county fails to aid in putting create an established plan,  
24 agreed to by the city, village, or town, to put any county line highway in reasonable  
25 condition for travel ~~any county line highway,~~ the adjoining county may, after not less

1 than ~~20~~ 30 days' notice in writing given to the county clerk of ~~such~~ the other county,

6 affected city, village, or town whose duty it is to keep the highway in repair and add  
7 it to the next county tax, ~~apportion it thereto and collect it therewith~~ apportioned and  
8 collected.

9 **SECTION 134.** 81.14 (3) of the statutes is repealed.

10 **SECTION 135.** 81.14 (4) of the statutes is renumbered 66.1029 (3) and amended  
11 to read:

12 66.1029 (3) ~~In case of~~ If a county line highway ~~which~~ has not been apportioned  
13 between cities, villages, or towns for the purpose of ~~maintenance, and where~~  
14 authority and responsibility, an appeal may be taken to the county board of any  
15 county bounded by said the highway, ~~the.~~ The expense incurred in opening and  
16 putting in reasonable condition for travel ~~such~~ highway, or in repairing it the  
17 highway, or in building or repairing any bridge ~~thereon~~ on the highway, shall be paid  
18 primarily by the county to which the appeal is taken, ~~and by said county apportioned.~~  
19 The county to which the appeal is taken shall apportion the expense among all of the  
20 counties ~~which~~ that are bounded in whole or in part by ~~such~~ the highway, ~~and the~~  
21 ~~proportionate share of such costs and expense shall be paid by the other counties.~~  
22 The other counties shall pay their apportioned share to the county to which the  
23 appeal is taken, upon presentation receipt of a proper claim ~~therefor, and when such.~~  
24 When the expense has been paid by the counties ~~liable therefor~~ it shall be charged  
25 by the respective counties to their proper towns and added, the counties shall charge

**ASSEMBLY BILL 678**

1 their affected cities, villages, or towns and add the charge to the next county tax  
2 apportioned to such the cities, villages, or towns and collected therewith.

NOTE: Under current s. 81.14, the county's oversight is only over towns. This section expands the county's oversight to cities and villages. Since the county is given the same oversight over cities and villages, the section has been moved to ch. 66.

New s. 66.1029 changes where the application must be delivered. Under current s. 81.14, an appeal is begun by serving notice on the chairperson of town or towns. Since the appeal is to the county, the special committee decided that it would be more appropriate to serve the notice on the county. Thus, new s. 66.1029 requires service on the county clerk and copies to be delivered to the towns.

Current s. 81.14 (3) was deleted. That subsection concerned highways that were laid out by commissioners reversing the decision of the supervisors. The provisions for commissioners reversing supervisors was eliminated in 1995 Wisconsin Act 186.

In new sub. (2), the language about a county failing to aid in putting the highway in reasonable condition was changed to require a plan to put the highway in reasonable condition that is agreed to by the town or village. In addition, new sub. (2) was modified to require 30 rather than 20 days' notice.

3 **SECTION 136.** 81.15 of the statutes is renumbered 893.83 (1) and amended to  
4 read:

5 **893.83 (1) DAMAGES CAUSED BY HIGHWAY DEFECTS; LIABILITY OF TOWN AND COUNTY**  
6 **MUNICIPALITY.** If damages happen to any person or his or her property by reason of  
7 the insufficiency or want of repairs of any highway ~~which~~ that any town, city, or  
8 village is bound to keep in repair, the person sustaining the damages has a right to  
9 recover the damages from the town, city, or village. If the damages happen by reason  
10 of the insufficiency or want of repairs of a highway ~~which~~ that any county by law or  
11 by agreement with any town, city, or village is bound to keep in repair, or ~~which~~ that  
12 occupies any land owned and controlled by the county, the county is liable for the  
13 damages and the claim for damages shall be against the county. If the damages  
14 happen by reason of the insufficiency or want of repairs of a bridge erected or  
15 maintained at the expense of 2 or more towns, cities, villages, or counties, the action  
16 shall be brought against all of the towns, cities, villages, or counties that are liable  
17 for the repairs of the bridge ~~and upon.~~ Upon recovery of judgment, the damages and  
18 costs shall be paid by the towns, cities, villages, or counties in the proportion in which

**ASSEMBLY BILL 678**

1 they are liable for the repairs; ~~and the.~~ The court may direct the judgment to be  
2 collected from each town, city, village, or county for its proportion only. The amount  
3 recoverable by any person for any damages so sustained shall not exceed \$50,000.  
4 The procedures under s. 893.80 shall apply to the commencement of actions brought  
5 under this ~~section~~ subsection. No action may be maintained to recover damages for  
6 injuries sustained by reason of an accumulation of snow or ice upon any bridge or  
7 highway, unless the accumulation existed for 3 weeks.

8 **SECTION 137.** 81.17 of the statutes is renumbered 893.83 (2) and amended to  
9 read:

10 **893.83 (2) HIGHWAY DEFECTS; LIABILITY OF WRONGDOER; PROCEDURE.** Whenever  
11 damages happen to any person or property by reason of any defect in any highway  
12 or other public ground, or from any other cause for which any town, city, village, or  
13 county would be liable, and such damages are caused by, or arise from, the wrong,  
14 default, or negligence thereof and of any person, or private corporation, such person  
15 or private corporation shall be primarily liable therefor; ~~but the.~~ The town, city,  
16 village, or county may be sued with the person or private corporation so primarily  
17 liable. If the town, city, village, or county denies its primary liability and proves upon  
18 whom such liability rests, the judgment shall be against all of the defendants shown  
19 by the verdict or finding to be liable for the damages; ~~but judgment.~~ Judgment  
20 against the town, city, village, or county shall not be enforceable until execution has  
21 been issued against the party found to be primarily liable and returned unsatisfied  
22 in whole or in part; ~~on.~~ On such return being made, the defendant town, city, village,  
23 or county shall be bound by the judgment. The unpaid balance shall be collected in  
24 the same way as other judgments.

**ASSEMBLY BILL 678**

NOTE: Section 893.83 is based on current ss. 81.15 and 81.17. The special committee decided it was more appropriately placed in ch. 893. Though some of the language has been modified to make it more current, no substantive change is intended.

1           **SECTION 138.** 81.35 of the statutes is renumbered 82.37 and amended to read:

2           **82.37 Tunnel under highway by landowner.** The owner of land on both

3 sides of a town highway may construct a tunnel under the highway, and the

4 necessary may erect fences for the passage of stock, and other purposes, in such

5 manner as will that are necessary for the use of the tunnel. The tunnel shall not

6 interfere with or endanger travel on the highway. The tunnel shall not be less than

7 25 feet in length and shall be maintained by the owner. The owner shall maintain

8 the tunnel and shall be liable for all damages which may be occasioned by that occur

9 as a result of the failure to keep the tunnel in repair. Unless authorized by a town

10 meeting, the tunnel shall not be less than 25 feet in length. The electors of the town

11 at an annual town meeting may authorize the construction of any designated a

12 tunnel ~~not less than~~ that is less than 25 feet, but at least 16 feet in length. The

13 chairperson of the town shall see that all tunnels in the town are made in accordance

14 ~~with this section and that they are kept in good repair.~~

15           **SECTION 139.** 81.36 of the statutes is repealed.

16           **SECTION 140.** 81.38 (title) of the statutes is renumbered 82.08 (title).

17           **SECTION 141.** 81.38 (1) of the statutes is renumbered 82.08 (1) and amended

18 to read:

19           **82.08 (1) PETITIONS.** ~~When any~~ A town that has voted to construct or repair any

20 ~~culvert or bridge or culvert~~ on a highway maintainable maintained by the town, ~~and~~

21 ~~has provided for such portion of the cost of such construction or repair as is required~~

22 ~~by this section, the town board shall may~~ file a petition with the county board setting

23 ~~forth said facts and for county aid with the county highway commissioner. The~~

**ASSEMBLY BILL 678**

1 petition shall describe the location and size of the culvert or bridge; and bridge or  
2 culvert and shall contain a statement that the town has provided the funds required  
3 by sub. (3).

4 (2) FUNDING REQUIREMENTS. (a) Except as provided in par. (b), upon receipt of  
5 a petition for a bridge or culvert with a 36-inch or greater span, or a structure of  
6 equivalent capacity to carry water, the county board, except as herein provided, shall  
7 thereupon appropriate such the sum as will, with the money provided by the town,  
8 be sufficient to defray the expense of constructing or repairing such culvert or bridge,  
9 required by sub. (3) and shall levy a tax therefor, which. The tax, when collected,  
10 shall be disbursed on the order of the chairperson of the county board and the county  
11 clerk, when the town board and county highway committee files a written notice with  
12 the clerk that the work has been completed and accepted held in a separate account  
13 administered by the county highway committee.

14 (b) If on January 1, 2003, a county has a policy of providing funding only for  
15 bridges and culverts larger than the requirement of par. (a), the county may refuse  
16 to fund bridges and culverts that do not meet the minimum requirements of that  
17 policy. The minimum size bridge or culvert that a county is required to fund under  
18 this section may be raised, but not lowered, by the affirmative vote of a majority of  
19 the towns in the county. The county board of any county which that has never  
20 granted aid under this section may, in its discretion, refuse to make any  
21 appropriation all petitions under sub. (1).

NOTE: Current s. 81.38 requires all petitions for county aid to be granted. The special committee had a number of discussions about whether the county should be involved in projects that are very small, and about the fact that some counties currently put a minimum size requirement on the bridges and culverts that they fund.

The new s. 80.28 (2) limits the funding requirements to bridges or culverts with a span of 36 inches or greater. However, counties that had a greater size requirement in place on January 1, 2003 can continue to abide by that policy. In addition, the size limit can be raised, but not lowered, by the vote of the majority of towns in the county. Current

**ASSEMBLY BILL 678**

s. 81.38 also seemed to require the town to apply to the county for aid. That has been changed so that a town “may” apply for aid. Finally, the new sub. (2) requires the tax that the county levies to be held in a separate account.

1           **SECTION 142.** 81.38 (2) of the statutes is renumbered 82.08 (3) and amended  
2 to read:

3           **82.08 (3) SHARED COST.** ~~The county shall pay the cost in excess of \$750 up to~~  
4 ~~\$1,500.~~ The town and county shall each pay one-half of the cost of construction or  
5 repair ~~above \$1,500.~~ In determining the cost of construction or repair of any culvert  
6 ~~or bridge or culvert,~~ the cost of constructing or repairing any approach not exceeding  
7 100 feet in length shall be included.

NOTE: New sub. (3) changes the way projects are funded. The current law requires the town to pay for the first \$750, the county to pay for the second \$750, and the town and county to split amounts in excess of \$1,500. The new sub. (3) requires a straight 50% split.

8           **SECTION 143.** 81.38 (3) of the statutes is renumbered 82.08 (4) and amended  
9 to read:

10           **82.08 (4) EMERGENCY PETITION.** Whenever the construction or repair of any ~~such~~  
11 ~~culvert or bridge or culvert~~ must be made without delay, the town board may file its  
12 petition with the county clerk and the county highway committee, ~~setting forth the~~  
13 ~~facts respecting~~ explaining the necessity for immediate construction or repairs. It  
14 shall then be the duty of the town board and the county highway committee to ~~make~~  
15 ~~such construction or repairs with the least possible delay.~~ ~~The town board is~~  
16 ~~authorized to borrow the entire cost of the work, and to include the town's share of~~  
17 ~~such cost in the next tax levy~~ construct or repair the bridge or culvert as soon as  
18 practicable. The construction or repair of a ~~culvert or bridge performed and accepted~~  
19 or culvert undertaken pursuant to this subsection shall entitle the town to the same  
20 county aid that the town would have been entitled to had it filed its petition with the  
21 county board as provided in sub. (1).

**ASSEMBLY BILL 678**

1           **SECTION 144.** 81.38 (4) of the statutes is renumbered 82.08 (5) and amended  
2 to read:

3           **82.08 (5)** SUPERVISION OVER DESIGN, CONSTRUCTION, AND COST. The county  
4 highway committee and the town board shall have full charge of design, sizing,  
5 letting, inspecting, and accepting the work ~~construction or repair~~, but the town board  
6 may leave the matter entirely in the hands of the county highway committee. The  
7 county highway committee and the town board must agree on the cost of the project  
8 and must consult each other during construction.

NOTE: New sub. (5) adds the requirement that the town and county mutually agree on costs and consult with each other during construction.

9           **SECTION 145.** 81.38 (5) of the statutes is renumbered 82.08 (6) and amended  
10 to read:

11           **82.08 (6)** CONSTRUCTION REQUIREMENTS. No county order may be drawn under  
12 sub. (1) ~~(2)~~ for the construction of ~~an arch, culvert or a bridge or culvert~~ unless it is  
13 ~~constructed in a workmanlike manner and built of creosoted wood or timber, steel,~~  
14 ~~stone or concrete or a combination thereof, and the design and construction comply~~  
15 with requirements under s. 84.01 (23).

NOTE: New sub. (6) does not carry over the language from current s. 82.38 (5) that specified what materials the culvert or bridge should be made of. The special committee decided that the list was unnecessary and that some of the listed materials were outdated.

16           **SECTION 146.** 81.38 (6) of the statutes is renumbered 61.48 and amended to  
17 read:

18           **61.48 County aid for construction and repair of bridges and culverts.**  
19 ~~Any village, by a resolution adopted by a two-thirds majority vote of all members of~~  
20 ~~the village board, may elect to become subject to all of the provisions of this section.~~  
21 ~~Such s. 82.08 by a resolution adopted by a two-thirds majority vote of all of the~~  
22 ~~members of the village board. The election to become subject to s. 82.08 shall be~~

**ASSEMBLY BILL 678**

1 effective when a certified copy of such the resolution is filed with the county board  
2 and approved by a majority of the towns and villages in the county that are already  
3 subject to s. 82.08 vote of the members of the county board representing towns and  
4 representing villages which have become subject to the provisions of this section as  
5 provided in this subsection; and thereafter, until such to approve the village's  
6 election. Until the village ceases to be subject to the provisions of this section s. 82.08,  
7 the words “town” and “town board” as used in this section s. 82.08 shall also apply  
8 respectively to such to the village and its village board. A village which that has  
9 become subject to the provisions of this section as provided in this subsection s. 82.08  
10 may cease to be subject to such provisions only that section by the adoption of a  
11 resolution and its approval by the county board in the same manner and by the same  
12 procedure by which a as the village may become became subject to such provisions  
13 as provided in this subsection that section.

NOTE: Since it concerns villages, the special committee decided current s.81.38 (6) was more appropriately placed in ch. 61. New s. 61.48 changes how the election to be subject to the provisions of new s. 82.08 is approved. The current language in s. 81.38 requires approval “...by a majority vote of the members of the county board representing towns and villages that have become subject to this section”. Since the members of the county board no longer represent towns and villages in that manner, new s. 61.48 requires a vote of the majority of the towns and villages that are already subject to s. 82.08.

14 **SECTION 147.** 81.38 (7) of the statutes is renumbered 82.08 (7) and amended  
15 to read:

16 82.08 (7) NO TAX. Except as provided in sub. (6) and s. ss. 61.48 and 84.14 (3),  
17 nothing ~~herein~~ contained in this section shall authorize the levy of a tax upon the  
18 property in any city or village which that is required to maintain its own bridges.

19 **SECTION 148.** 81.39 of the statutes is repealed.

20 **SECTION 149.** 81.42 (title) of the statutes is repealed.

**ASSEMBLY BILL 678**

1           **SECTION 150.** 81.42 (1) of the statutes is renumbered 82.03 (8) and amended  
2 to read:

3           **82.03 (8) USE OF DAMS AS ROADWAYS.** The town board may contract with the  
4 owner of any a dam with that has a roadway thereon on it for the use of such the  
5 roadway for highway purposes for such period of time as the board may determine.  
6 The contract shall provide that who shall be responsible for keeping the roadway  
7 shall at all times be kept in repair by the owner and may be for a period of time that  
8 the board determines.

NOTE: The language of current s. 81.42 (1) requires the contract to provide that the owner of the dam keep the roadway in repair at all times. New s. 82.03 (8) changes this language to require only that the contract specify who shall keep the road in repair.

9           **SECTION 151.** 81.42 (2) of the statutes is renumbered 82.09 and amended to  
10 read:

11           **82.09 County aid for dams used for bridges.** Whenever any A town board

18 equal to ~~one-half~~ 50 percent of the amount so agreed to be paid for such the use, and,

22 ~~shall notify them~~ notifies the county highway commissioner that a contract for the  
23 use of such the roadway has been executed.

**ASSEMBLY BILL 678**

NOTE: The contents of the petition have been changed. The original language required the petition to designate “as near as may be” the location of the dam and roadway. New s. 82.09 requires a legal description and scale map.

11 constructed pursuant to s. 82.37 are constructed in accordance with the  
12 requirements of s. 82.37 and are kept in good repair by the landowner.

NOTE: Current s. 81.02 requires the superintendent to file a bond before assuming office. The special committee discussed this requirement and concluded that town boards rarely require such bonds. As a result, s. 82.03 (1) gives the board discretion over whether to require a bond. Current s. 81.02 specifies what fund the superintendent may be paid from. The special committee discussed this requirement and decided it should be left to the town board's discretion.

New s. 82.03 (9) through (18) are simply cross-references to sections outside of this chapter. They have been added to create a more comprehensive list of the duties of the town board in relation to the highways under its jurisdiction.

New s. 82.03 (19) is based on the last sentence of current s. 81.35. No substantive change is intended.

13 **SECTION 157.** 82.05 (1) of the statutes is created to read:

14 **82.05 (1)** The term of office of highway superintendents shall be one year from  
15 the date of their appointment.

16 **SECTION 158.** 82.05 (4) of the statutes is created to read:

17 **82.05 (4)** The superintendent shall routinely notify the town board of all  
18 highway work.

19 **SECTION 159.** 82.08 (8) of the statutes is created to read:

**ASSEMBLY BILL 678**

1           **82.08 (8) ADMINISTRATION CHARGE.** The county may charge the towns that apply  
2 for aid under this section an administration charge. The administration charge shall  
3 be fixed as a percentage of the total costs of administering aid under this section and  
4 the percentage shall be no more than the percentage that the county charges the  
5 state for records and reports.

6           **SECTION 160.** Subchapter II (title) of chapter 82 [precedes 82.10] of the statutes  
7 is created to read:

**CHAPTER 82****SUBCHAPTER II****BASIC PROCEDURES**

11           **SECTION 161.** 82.10 (title), (1) (b), (2), (4) (title) and (b) and (5) of the statutes  
12 are created to read:

**82.10 (title) Initiation of procedures.**

14           **(1) (b)** A scale map of the land that would be affected by the application.

15           **(2) RESOLUTION.** Notwithstanding sub. (1), the town board may initiate the  
16 process of laying out, altering, or discontinuing a town highway by the introduction  
17 of a resolution. The resolution shall contain all of the following:

18           **(a)** A legal description of the highway to be discontinued or of the proposed  
19 highway to be laid out or altered.

20           **(b)** A scale map of the land that would be affected by the resolution.

21           **(4) (title) NOTICE RECIPIENTS.**

22           **(b)** If procedures are begun under sub. (1), the applicants shall bear the cost of  
23 publication. If the procedures are begun under sub. (2), the town shall bear the cost  
24 of publication.

**ASSEMBLY BILL 678**

1           **(5) LIS PENDENS.** In the case of an application under sub. (1), the applicant shall  
2 file a lis pendens under s. 840.11. In the case of a resolution under sub. (2), the board  
3 shall file a lis pendens within 10 days of the introduction of the resolution.

NOTE: Current s. 80.02 seemed to require the petition of 6 resident freeholders to lay, alter, or discontinue a highway. Section 82.10 now allows the board to lay, alter, or discontinue a highway on its own initiative by the introduction of a resolution. After introduction, the resolution is treated the same as an application.

4           **SECTION 162.** 82.11 (title) of the statutes is created to read:

5           **82.11 (title) Meeting.**

6           **SECTION 163.** 82.12 (title) of the statutes is created to read:

7           **82.12 (title) Highway order.**

8           **SECTION 164.** 82.14 (title), (1) and (3) of the statutes are created to read:

9           **82.14 (title) Acquiring rights to land; damages from discontinuance.**

10          **(1)** Unless the acquisition can be made by mutual agreement, the town board shall  
11 utilize the procedures under s. 32.05 to acquire rights to land for the purpose of laying  
12 out or altering a town highway.

13          **(3)** An owner of property abutting on a discontinued highway whose property  
14 is damaged by the discontinuance may recover damages as provided in ch. 32.

NOTE: The special committee decided to eliminate the provisions for acquiring land in chs. 80 and 81 in favor of requiring the town to utilize the procedures under s. 32.05. As a result, the following provisions were not carried over into this bill: ss. 80.09, 80.10, 80.30 (1), and 80.24 through 80.29.

New s. 82.14 (3) is based on language that appears in current ss. 66.1003 (4) and s. 62.73 (3).

15          **SECTION 165.** 82.15 of the statutes is created to read:

16          **82.15 Appeal of a highway order.** Any person aggrieved by a highway order,  
17 or a refusal to issue such an order, may seek judicial review under s. 68.13. If the  
18 highway is on the line between 2 counties, the appeal may be in the circuit court of  
19 either county.

**ASSEMBLY BILL 678**

NOTE: Section 82.15 is based on current s. 80.17. Current s. 80.17 states that the failure to act on an application within 60 days shall be deemed a refusal. The special committee decided that the town board should have to consider the application and affirmatively make a decision. New s. 82.12 creates a 90-day timeline for the board to act, and the failure to act shall not be deemed a refusal.

1           **SECTION 166.** 82.16 (3) of the statutes is created to read:

2           **82.16 (3)** It shall be presumed that a release was given by the owners of the  
3 lands over which the highway was laid out and the public shall be entitled to use the  
4 full width of the highway, as laid out, without further compensation if all of the  
5 following apply:

6           (a) An order laying out the highway has been filed for more than 30 years.

7           (b) No award of damages or agreement or release has been filed.

8           (c) The highway, or a part of the highway, has been used by the public and public  
9 money has been expended on the highway for at least 5 years.

NOTE: New s. 82.16 (3) is based on the last sentence of current s. 80.07 (1). No substantive change is intended.

10          **SECTION 167.** 82.19 (2) (b) 1. of the statutes is created to read:

11          **82.19 (2) (b) 1.** In this paragraph, "vehicular travel" means travel using any  
12 motor vehicle required to be registered under ch. 341 or exempt from registration  
13 under s. 341.05.

14          **SECTION 168.** Subchapter III (title) of chapter 82 [precedes 82.21] of the  
15 statutes is created to read:

16   **CHAPTER 82**

17   SUBCHAPTER III

18   SPECIAL PROCEDURES

19          **SECTION 169.** 82.21 (1) (a) and (b), (4) (title) and (5) (title) of the statutes are  
20 created to read:

**ASSEMBLY BILL 678**

1           82.21 (1) (a) Six resident freeholders of the town, city, or village deliver an  
2 application to lay out, alter, or discontinue a town line highway to the clerk of every  
3 town, city, or village that would be affected by the proposal.

4           (b) The town board, city council, or village board introduces a resolution to lay  
5 out, alter, or discontinue a town line highway.

6           (4) (title) APPORTIONMENT OF AUTHORITY AND RESPONSIBILITY.

7           (5) (title) APPEAL OF APPORTIONMENT.

8           **SECTION 170.** 82.27 (title), (1), (5) (c) and (d), (9) and (10) of the statutes are  
9 created to read:

10           **82.27 (title) Landlocked property and property with insufficient**  
11 **highway access. (1) DEFINITION.** In this section, “advantages” means the greater  
12 of the following:

13           (a) The increase in value of the landlocked property after the highway is laid  
14 out or the way or road is widened.

15           (b) The administrative costs under sub. (5), and the estimated cost of  
16 constructing or widening the highway, including both the cost of constructing a  
17 turnaround, if one is necessary, and the damages paid to the owner of the land over  
18 which the highway is laid out or the way or road is widened.

19           (5) (c) Administrative costs such as clerical costs and publication costs.

20           (d) If special meetings are held only for the purpose of considering the  
21 application, per diem compensation for the supervisors.

22           (9) LIMIT ON APPLICATIONS. The determination to deny an application under this  
23 section shall be final for the term of 3 years. No application to lay out a highway to  
24 the same property shall be considered within 3 years from the date of the refusal.

**ASSEMBLY BILL 678**

1           **(10)** HIGHWAY TO REMAIN PUBLIC FOR AT LEAST 2 YEARS. A highway laid out under  
2 this section shall be a public road and shall remain and be maintained as a public  
3 road for at least 2 years from the date of the order.

NOTE: The definition of “advantages” in s. 82.27 (1) is new. Under current s. 80.13, the term “advantages” is not defined. In *Roberts v. Town of Springvale*, 204 Wis. 2d 110, 552 N.W.2d 898, the court held that advantages “. . . refers to how much of a financial benefit has inured to the applicant or the enhancement in value of the applicant’s land as a result of the town’s decision to lay the highway”. While the special committee agreed that this was a reasonable construction of the statutory language, it decided that the costs should be allocated differently. Constructing a highway could increase the value of the landlocked property by a far smaller amount than the cost of construction. The result would be that the town would pay the difference between the construction cost and the increased property value. The special committee decided that since the highway would primarily benefit the landowner, the landowner should bear the cost. The new s. 82.27 retains the term “advantages”, but defines it as the greater of the increased value of the property or the estimated cost of constructing the highway and the damages paid to the owner.

Section 82.27 (9) and (10) are new. The special committee discussed the fact that landlocked property owners sometimes file repeated applications to wear down the town board. Thus, new sub. (9) puts a 3-year limit on filing a new application. The special committee also discussed the potential problem of a town constructing the highway and then immediately giving the highway back to the applicant. New sub. (10) requires the highway to remain a public highway for at least 2 years.

4           **SECTION 171.** Subchapter IV (title) of chapter 82 [precedes 82.31] of the  
5 statutes is created to read:

**CHAPTER 82****SUBCHAPTER IV****EXISTING HIGHWAYS**

6           **SECTION 172.** 82.35 (1) (intro.) of the statutes is created to read:

7           **82.35 (1)** (intro.) The town board, upon its own motion, may lay out and open  
8 temporary highways through any lands in the following situations:

9           **SECTION 173.** 83.015 (2) (b) of the statutes is amended to read:

10           **83.015 (2)** (b) In any county with a highway commissioner appointed under s.  
11 **83.01 (1)** (b) or (c), the county highway committee shall be only a policy-making body  
12 determining the broad outlines and principles governing administration and the

**ASSEMBLY BILL 678**

1 county highway commissioner shall have the administrative powers and duties  
2 prescribed for the county highway committee under par. (a), sub. (3) (a) and ss.  
3 27.065 (4) (b) and (13), 32.05 (1) (a), ~~81.38 (1), (3) and (4)~~, 82.08, 83.01 (6), 83.013,  
4 83.018, 83.025 (1) and (3), 83.026, 83.035, 83.04, 83.05 (1), 83.07 to 83.09, 83.12, 83.14  
5 (6), 83.17, 83.18, 83.42 (3) and (4), 84.01 (5), 84.06 (3), 84.07 (1) and (2), 84.09 (1), (3)  
6 (a) to (c) and (4), 84.10 (1), 86.04 (1) and (2), 86.07 (2), 86.19 (3), 86.34 (1), 114.33 (5),  
7 349.07 (2), 349.11 (4) and (10) and 349.15 (2). No statutory power, duty or function  
8 specified elsewhere for the county highway commissioner may be deemed impliedly  
9 repealed for the sole reason that reference to it has been omitted in this paragraph.

10 **SECTION 174.** 83.09 of the statutes is amended to read:

11 **83.09 Emergency repairs of county trunk highways.** Whenever a flood  
12 or other casualty renders any county trunk highway dangerous for travel, the town  
13 chairperson shall may immediately close it and notify the county highway  
14 commissioner thereof, and the commissioner shall promptly make repairs necessary  
15 to render the highway safe for travel. If sufficient funds are not available in the  
16 county maintenance fund, the commissioner may, with the consent of the  
17 chairperson of the county board or of the county highway committee, make the  
18 necessary repairs, and the cost thereof shall be paid as soon as funds are available.

NOTE: In the course of discussing a cross-reference to current s. 83.09, the special committee discussed that section's use of mandatory language. The special committee concluded that it should be changed to "may". The special committee members had concerns about the mandatory language breeding litigation and about the town using this authority unnecessarily.

19 **SECTION 175.** 83.18 (1) (title) of the statutes is repealed.

20 **SECTION 176.** 83.18 (1) of the statutes is renumbered 83.18 and amended to  
21 read:

**ASSEMBLY BILL 678**

1           **83.18 Entry on lands.** For constructing or maintaining any highway by the  
2 county, the county highway committee or commissioner shall possess all of the  
3 powers to acquire and enter lands conferred upon town boards by s. ~~81.06~~ 82.03 (2)  
4 and (5).

5           **SECTION 177.** 83.18 (2) of the statutes is repealed.

6           **SECTION 178.** 83.19 of the statutes is amended to read:

7           **83.19 Temporary highways and detours.** When any highway which is  
8 maintained or to be maintained by the county shall be practically impassable or be  
9 dangerous to travel or when it shall be deemed necessary on account of construction  
10 or repair work thereon or for other reasons to suspend travel upon any part of such  
11 highway, the county highway commissioner may lay out and open temporary  
12 highways for the accommodation of public travel through any lands, and the county  
13 highway commissioner shall possess the powers conferred by s. ~~81.08~~ 82.35 upon  
14 town boards. Said powers shall be exercised by the county highway commissioner  
15 in like manner and the procedure shall be the same except that the contract and  
16 orders and claim for damages and other papers relating to the matter shall be filed  
17 with the county clerk, and claims for damages shall be acted upon by the county  
18 board in the manner provided by s. 893.80.

19           **SECTION 179.** 84.02 (1) of the statutes is amended to read:

20           **84.02 (1) DESIGNATION.** The system of highways known as the trunk highway  
21 system heretofore selected and laid out by the legislature and by the highway  
22 commission and by special legislative state trunk highway committees and approved  
23 by said highway commission and as revised, altered and changed by and under  
24 authority vested by law in the highway commission, is hereby validated and  
25 confirmed and designated the state trunk highway system but without prejudice to

**ASSEMBLY BILL 678**

1 the exercise of the power given to change such system, and all acts by which parts  
2 of said system were heretofore adopted or declared to be trunk highways are  
3 confirmed and validated. Section ~~80.32~~ 82.19 (2) does not apply to the state trunk  
4 highway system.

6 **84.07 (1) STATE EXPENSE; WHEN DONE BY COUNTY OR MUNICIPALITY.** The state trunk  
7 highway system shall be maintained by the state at state expense. The department  
8 shall prescribe by rule specifications for such maintenance and may contract with  
9 any county highway committee or municipality to have all or certain parts of the  
10 work of maintaining the state trunk highways within or beyond the limits of the  
11 county or municipality, including interstate bridges, performed by the county or  
12 municipality, and any county or municipality may enter into such contract. General  
13 maintenance activities include the application of protective coatings, the removal  
14 and control of snow, the removal, treatment and sanding of ice, interim repair of  
15 highway surfaces and adjacent structures, and all other operations, activities and  
16 processes required on a continuing basis for the preservation of the highways on the  
17 state trunk system, and including the care and protection of trees and other roadside

20 adequate traffic service. Special maintenance activities include the restoration,  
21 reinforcement, complete repair or other activities which the department deems are  
22 necessary on an individual basis for specified portions of the state trunk system.

24 maintenance of highway signs, traffic control signals, highway lighting, pavement  
25 markings, and intelligent transportation systems. The department may contract

2 replacement, rehabilitation, or maintenance of highway signs, traffic control signals,  
3 highway lighting, pavement markings, and intelligent transportation systems.

4 **SECTION 181.** 84.14 (3) of the statutes is amended to read:

5 **84.14 (3) PARTICIPATION IN TOWN BRIDGE CONSTRUCTION.** Whenever any  
6 municipality has participated in the cost of the construction, reconstruction, or  
7 purchase of a bridge under s. 84.11 or 84.12, the property in such municipality shall  
8 thereafter be subject to taxation by the county for the construction and repair of  
9 bridges within the county under s. ~~81.38~~ 82.08.
