Subject: Amendments to LRB-3053/3

Peggy:

AS 721

Can you please prepare two separate amendments to LRB-3053/3? Rep. Freese needs to see first drafts of these by Friday.

- 1) Make the effective date 6 months after enactment of the bill.
- 2) In section 5, create a provision allowing the DOT discretion in contracting out to a third party to issue buyer licenses - promulgate thru rule if need be.

Thank you!

Rob

2003 ASSEMBLY BILL 821

February 5, 2004 - Introduced by Representative FREESE, cosponsored by Senator LEIBHAM. Referred to Committee on Transportation.

1 **AN ACT to amend** 218.0111 (1) (intro.), 218.0114 (1), 218.0114 (13) (b) and (c),
2 218.0114 (18) and 218.33 (2) (a); and **to create** 218.0101 (22m), 218.0114 (14)
3 (fm) and 218.34 of the statutes; **relating to:** motor vehicle buyers, granting
4 rule-making authority, and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law requires a motor vehicle dealer, motor vehicle salesperson, and motor vehicle sales finance company to have a license issued by the Department of Transportation (DOT) in order to conduct business. A motor vehicle dealer is responsible for ensuring that each motor vehicle salesperson in his or her employ has a valid license. Failure to comply with these licensing requirements may result in a fine of not less than \$500 nor more than \$5,000. This bill defines a motor vehicle buyer as a person who is employed by one or more motor vehicle dealers to bid on or purchase a motor vehicle from a motor vehicle dealer or a motor vehicle auction and requires a motor vehicle buyer and a motor vehicle wholesaler to be licensed. A motor vehicle buyer must obtain a separate license for each motor vehicle dealer on whose behalf the buyer operates and each motor vehicle dealer is responsible for ensuring that each motor vehicle buyer in his or her employ has a valid license.

Under current law, motor vehicles sold at a motor vehicle auction may only be sold to licensed motor vehicle dealers. Under the bill, motor vehicles sold at a motor vehicle auction may be sold to licensed motor vehicle dealers, licensed motor vehicle wholesalers, and licensed motor vehicle buyers. The licensed dealer, wholesaler, or buyer must display his or her valid license and include his or her license number on

ASSEMBLY BILL 821

each sheet of any bid submitted to a motor vehicle auction and on any document evidencing the purchase of a motor vehicle from the auction. Prior to accepting a bid, the motor vehicle auction must verify that the license number displayed on the buyer or bidder's license and the number included on the bid or other documents are identical. After a motor vehicle is sold at an auction, the motor vehicle auction must include information, to be determined by DOT, to indicate that ownership of the vehicle was transferred by a motor vehicle auction.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
