Subject: Amendments to AB 695

Peggy:

Last week, Representative Ainsworth submitted 3 amendment requests for AB 695. I would like to make a minor change to the third amendment.

Amendment 3

348.07 (2) (im) Seventy-five total feet for a 2 vehicle combination transporting livestock, as long as the trailer {when measured as in 348.07 (3) (b)} is not longer than 53 feet, and the trailer axles are either separated by at least 8 feet or are 3 axles in tandem (aka tri-axle).

I don't think the term "tri-axle" is used in Statutes or Admin Code - therefore it may need to be referred to as 3 axles in tandem.

I will leave it to you, the expert.

Thank you.
