**Subject:** Redrafting instructions for LRBs0182/1

Rep. Black asks for the following changes in this draft:

On lines 7 and 8, strike out the words from "The rules" to "June 30, 2004" so the amendment repeals the sunset in current law.

On lines 10 and 11, delete both lines and replace with the following:

**29.336 Feeding and baiting of cervids.** The department may prohibit the baiting and feeding of cervids anywhere in the state for the purpose of controlling and preventing the spread of chronic wasting disease.

Please let me know if you have questions or need more information. Thank you.
