1 **AN ACT** *to renumber and amend* 29.347 (3); and *to create* 29.347 (3) (b) and
2 29.539 (7) of the statutes; **relating to:** control and possession of the head,
3 antlers, or skin of a deer or an elk.

Analysis by the Legislative Reference Bureau

Under current law, a person may not possess the green head or green skin of a wild deer or elk during the period beginning 30 days after the close of the hunting season and ending on the opening of the succeeding hunting season. In addition, unless authorized by the Department of Natural Resources (DNR), no one may at any time possess a wild deer or elk head with velvet antlers or a deer or an elk in the red, blue, or spotted coat.

Under this bill, a person may possess a deer or an elk head with velvet antlers or a deer or an elk in the spotted coat if the deer or elk was lawfully killed and tagged and the person has received authorization from DNR to possess the antlers or skin.

Currently, most persons may not sell, barter, buy, or trade the carcasses of wild deer or elk, regardless of whether the deer or elk was lawfully killed. This bill allows a person to sell, barter, buy, or trade the tails and skulls of any deer or elk lawfully killed, the antlers of any deer or elk lawfully killed that are not velvet, and the skins of any deer or elk lawfully killed that are not in the spotted coat.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
