Analysis by the Legislative Reference Bureau

This bill requires the department of natural resources (DNR) to promulgate rules to establish a program to authorize and regulate fishing tournaments.* Under the bill, DNR is authorized to require a person to obtain a permit to conduct a fishing tournament. The bill specifies certain rules that DNR may promulgate regulating fishing tournaments, including rules that specify the circumstances under which a waiver for a permit may be granted, rules establishing training requirements for persons who seek a permit, and rules specifying the location of the bodies of water on which fishing tournaments may be held. The bill provides that DNR may not allow a fishing tournament participant to engage in an activity if it would not allow an angler who is not a tournament participant to engage in that activity. The bill requires DNR to deny an application for a fishing tournament permit or suspend or revoke such a permit if the applicant engages in certain conduct, such as making a misrepresentation on a permit application or failing to adequately supervise a fishing tournament. The bill requires DNR to appoint an advisory committee to advise DNR in promulgating rules regulating fishing tournaments.
