**Importance:** High

Good morning!

Representative Suder would like to draft amendments to these bills that would do the following:  
***Exempt private closed course facilities for racing from the 96 decibals requirement.***

AB 596 is scheduled for floor action in the Assembly today, however there is a chance they could take up the companion SB 277 instead, so we probably would need the amendment for both, just in case.

Please contact us should you have any questions.

Thank you!

Anne Emerson  
Office of Rep. Suder
