

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0610/P4dn
JTK:cjs:ch

December 26, 2002

Kevin Kennedy:

This redraft makes technical changes related to establishing a definition of "identification". It does not change the definition used in the previous draft. The portions of the federal law relating to the required agreements between the elections board and DOT and between DOT and the Commissioner of Social Security have yet to be incorporated into the draft. We will redraft to include these portions when time permits.
