Dear Jeff:

This letter confirms our discussions about the preparation of legislation to implement recently enacted federal legislation, the "Help America Vote Act." You have begun work on a draft at the request of the State Elections Board. In order to facilitate the drafting, you are authorized to share and discuss the draft with staff at the Legislative Council and Legislative Fiscal Bureau. I also encourage you to advise legislators that express an interest in this area that you are working on this proposed legislation. This may reduce duplicate drafting requests. If they have questions, concerns or ideas please encourage them to contact me at 608-266-8087.

You have already identified a number of drafting problems in the federal legislation. If you can share them with me, I can utilize them in discussions with others in evaluating the impact of the legislation on Wisconsin. The Elections Board's election team will be meeting with election officials from other states the week of December 9th to review the legislation in detail and to discuss implementation strategies.

I appreciate your work in this area and the expertise that you bring to it. I look forward to working with you on the development of the implementing legislation.

State Elections Board

Kevin J. Kennedy
Executive Director
