Debora, I spoke with Dick Sweet and this is the language change he suggested for our SB 230 parental consent ammendment. Will you be able to get this drafted in time to comply with the 24 hour rule for tuesday's hearing? Thank you, Karla

Karla,

I think this would accomplish the second option we discussed:

252.15(2)(a)7.d. The court is not required to order the individual to submit to a test under subd. 7. c. if the court finds substantial reason relating to the life or health of the individual not to do so and states the reason on the record. The court is not required to order the individual to submit to a test under subd. 7.c. if the individual is a minor and a parent of the minor objects to the test and the person who was significantly exposed is a social worker or an employee of a school district, cooperative educational service agency, charter school, private school, the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, or the Wisconsin Center for the Blind and Visually Impaired who was significantly exposed while performing employment duties.
