Hi Mary,

Per my voice mail, attached is information we obtained from DNR to help facilitate drafting bill language on the sturgeon spearing age requirement. This appears to be pretty straight forward. Could you give me an idea of when we might see the bill draft?

Thanks and Happy Holidays!

Karen:

Ron Bruch said he talked to you about the need for minor clean-up language to s. 29.237(1m), Stats., to clarify that the 14 year old age requirement for spearing licenses still exists. Please see my attached suggested changes. Please let me know if you have any questions or I can be of further assistance. Much thanks?

14 Year Age Requirement for Sturgeon Spearing

Amend s. 29.237(1m), Stats., to read:

(1m) Subject to s. 29.024 and any limit imposed under s. 29.192(3), a sturgeon spearing license ~~shall~~ may only be issued by the department to ~~any~~ a person applying for this license who:

(a) ~~Is 14 or 15 years of age;~~

(b) ~~Is~~ is at least 14 years of age ~~and holds a sports license; or~~

Current law states that a person shall be issued a license authorizing the spearing of sturgeon (sturgeon spearing license) ~~if he or she is 14 or 15 years old~~ <sup>plain</sup> if he or she is at least 14 years old and holds a sports license, or ~~if he or she~~ <sup>if he or she</sup> holds a fishing license. A sports license is a combination license that confers the privileges of certain hunting licenses as well as a fishing license. A change in this law that ~~takes~~ <sup>took</sup> effect on March 10, 2003, ~~repeals~~ the provision allowing the holder of a fishing license to be entitled to a sturgeon spearing license. The repeal of this provision results in the remaining provisions being interpreted to allow persons who are 14 and 15 years old to receive a sturgeon spearing license without having any other fishing license and to require that persons who are at least 16 years old ~~to~~ have a sports license to receive a sturgeon spearing license.

This bill allows anyone who is at least 14 years old to be able to receive a sturgeon spearing license without having any other fishing license. Persons under the age of 14 years remain ineligible for a sturgeon spearing license.
