Subject									
Jurisdiction over American Indian juvenile who commits delinquent act off reservation									

Assumptions Used in Arriving at Fiscal Estimate

This bill provides a process for consultation to determine which court (circuit or tribal) should exercise its existing jurisdiction based on the best interests of the juvenile and of the public when an American Indian juvenile is alleged to have committed a delinquent act while physically outside the boundaries of the reservation of a federally recognized American Indian tribe or band.

The jurisdiction of the tribal court is determined by federal law and tribal law, rather than state law. Since this bill does not change that jurisdiction, there should be no fiscal impact on local governments.

This bill does not have any fiscal impact on the Wisconsin Department of Corrections.
