Assumptions Used in Arriving at Fiscal Estimate

AB 925 would delay the implementation of 2003 WI Act 90 in municipalities that have opted out of enforcement of the Uniform Dwelling Code in their municipalities. 2003 WI Act 90 removed the ability of municipalities to opt out of enforcement of the Uniform Dwelling Code (UDC) in their municipalities. Under AB 925, any municipality that has opted out of enforcement of the UDC under prior law would remain exempt from enforcement until January 1, 2005. The delayed implementation in these municipalities would allow for more efficient management of the implementation.

AB 925 would have no fiscal impact on the Department of Commerce or local units of government.
