2003 ASSEMBLY BILL 732

January 7, 2004 - Introduced by Representative GARD. Referred to Committee on Job Creation.

1 **AN ACT to create** 295.13 (4) of the statutes; **relating to:** nonmetallic mining
2 reclamation financial assurances.

Analysis by the Legislative Reference Bureau

Current law requires counties to administer ordinances to ensure that nonmetallic mining sites are reclaimed. "Nonmetallic" mining means extracting substances like gravel and stone. Among other things, nonmetallic mining reclamation ordinances must require operators to provide financial assurance to ensure that the nonmetallic mine will be reclaimed. This bill provides that, if a city, village, or town requires an operator to provide financial assurance for nonmetallic mining reclamation, the county must credit the value of that financial assurance toward the amount that the operator is required to provide under the county ordinance.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 295.13 (4) of the statutes is created to read:
4 295.13 (4) **CREDITING OF FINANCIAL ASSURANCE.** If a nonmetallic mining site is
5 subject to a county ordinance under sub. (1) or (2) and the city, village, or town in

ASSEMBLY BILL 732

SECTION 1

1 which a nonmetallic mining site is located required the operator of the mining site
2 to provide financial assurance for nonmetallic mining reclamation of the nonmetallic
3 mining site, the county shall credit the value of the financial assurance provided to
4 the city, village, or town against the amount of financial assurance that the operator
5 is required to provide under the county ordinance.
