PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Revisors Bill

Do NOT GEN CAT

Do NOT SORT

1 AN ACT relating to: repealing, consolidating, renumbering, amending, and  
2 revising various provisions of the statutes for the purpose of correcting errors,  
3 supplying omissions, correcting and clarifying references, eliminating defects,  
4 anachronisms, conflicts, ambiguities, and obsolete provisions, reconciling  
5 conflicts, and repelling unintended repeals (Revisor's Correction Bill).

**Analysis by the Legislative Reference Bureau**

This revisor's revision bill is explained in the NOTES provided by the revisor of statutes in the body of the bill. In accordance with a change in drafting style, commas before the last item in a series are added throughout the bill. "Which" is replaced by "that" where grammatically correct.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

6 SECTION 1. 16.415 (1) of the statutes, as affected by 2003 Wisconsin Act 33,

9 draw, sign, or issue, or authorize the drawing, signing, or issuing of any warrant on

1 any disbursing officer of the state to pay any compensation to any person in the  
2 classified service of the state unless an estimate, payroll, or account for such  
3 compensation, containing the names of every person to be paid, bears the certificate  
4 of the appointing authority that each person named in the estimate, payroll, or  
5 account has been appointed, employed, or subject to any other personnel transaction  
6 in accordance with, and that the pay for the person has been established in  
7 accordance with, the law, compensation plan, or applicable collective bargaining  
8 agreement, and applicable rules of the director of the office of state employment  
9 relations and the administrator of the division of merit recruitment and selection in  
10 the office of state employment relations then in effect.

NOTE: 2003 Wis. Act 33, section 170, deleted "director of the office of state human resources management and the" from s. 16.415 (1) without showing it as stricken. The deletion was unintended. 2003 Wis. Act 33, section 9160 (4q) renamed the office of state human resources management in the department of administration to be the office of state employment relations in the department of administration.

The Act 33, section 170, treatment of s. 16.415 also contained in the last sentence the stricken word "department," which was not preexisting text, and the underscored phrase "office of state human resources management," which was preexisting text. No changes were intended.

15 materials, supplies, equipment, other permanent personal property and contractual  
16 services not purchased under standard specifications. Such "nonstandard  
17 specifications" may be generic or performance specifications, or both, prepared to  
18 describe in detail the article which the state desires to purchase either by its physical  
19 properties or by its programmatic utility. When appropriate for such nonstandard  
20 items or services, trade names may be used to identify what the state requires, but

1 wherever possible 2 or more trade names shall be designated and the trade name of  
2 any Wisconsin producer, distributor or supplier shall appear first.

NOTE: There is no s. 560.9813 (4) (b). 2003 Wis. Act 33 deleted "16.25 (4) (b)" and  
inserted "560.9813 (4) (b)." The change was unintended.

Revisors Bill

Do NOT GEN CAT  
Do NOT SORT

1 AN ACT relating to: repealing, consolidating, renumbering, amending, and  
2 revising various provisions of the statutes for the purpose of correcting errors,  
3 supplying omissions, correcting and clarifying references, eliminating defects,  
4 anachronisms, conflicts, ambiguities, and obsolete provisions, reconciling  
5 conflicts, and repelling unintended repeals (Revisor's Correction Bill).

**Analysis by the Legislative Reference Bureau**

This revisor's revision bill is explained in the NOTES provided by the revisor of statutes in the body of the bill. In accordance with a change in drafting style, commas before the last item in a series are added throughout the bill. "Which" is replaced by "that" where grammatically correct.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

6 SECTION 1. 16.415 (1) of the statutes, as affected by 2003 Wisconsin Act 33,  
7 sections 170, and 9160 (4q) is amended to read:

9 draw, sign, or issue, or authorize the drawing, signing, or issuing of any warrant on

1 any disbursing officer of the state to pay any compensation to any person in the  
2 classified service of the state unless an estimate, payroll, or account for such  
3 compensation, containing the names of every person to be paid, bears the certificate  
4 of the appointing authority that each person named in the estimate, payroll, or  
5 account has been appointed, employed, or subject to any other personnel transaction  
6 in accordance with, and that the pay for the person has been established in  
7 accordance with, the law, compensation plan, or applicable collective bargaining  
8 agreement, and applicable rules of the director of the office of state employment  
9 relations and the administrator of the division of merit recruitment and selection in  
10 the office of state employment relations then in effect.

NOTE: 2003 Wis. Act 33, section 170, deleted "director of the office of state human resources management and the" from s. 16.415 (1) without showing it as stricken. The deletion was unintended. 2003 Wis. Act 33, section 9160 (4q) renamed the office of state human resources management in the department of administration to be the office of state employment relations in the department of administration.

The Act 33, section 170, treatment of s. 16.415 also contained in the last sentence the stricken word "department," which was not preexisting text, and the underscored phrase "office of state human resources management," which was preexisting text. No changes were intended.

11 **SECTION 2.** 16.72 (2) (b) of the statutes, as affected by 2003 Wisconsin Act 33,  
12 is amended to read:

15 materials, supplies, equipment, other permanent personal property and contractual  
16 services not purchased under standard specifications. Such "nonstandard  
17 specifications" may be generic or performance specifications, or both, prepared to  
18 describe in detail the article which the state desires to purchase either by its physical  
19 properties or by its programmatic utility. When appropriate for such nonstandard  
20 items or services, trade names may be used to identify what the state requires, but

1 wherever possible 2 or more trade names shall be designated and the trade name of  
2 any Wisconsin producer, distributor or supplier shall appear first.

NOTE: There is no s. 560.9813 (4) (b). 2003 Wis. Act 33 deleted "16.25 (4) (b)" and  
inserted "560.9813 (4) (b)." The change was unintended.

3 SECTION 3. 18.70 of the statutes is amended to read:

23 31 is not repealed by 2003 Wisconsin Act 33, section 659. Both treatments stand.

NOTE: There is no conflict of substance. As merged by the revisor, s. 20.835 (1) (d) reads:

(d) *Shared revenue account.* A sum sufficient, less any amount appropriated under par. (t), to meet the requirements of the shared revenue account established under s. 79.01 (2) to provide for the distributions from the shared revenue account to counties, towns, villages and cities under ss. 79.03, 79.04 (1) to (4) and 79.06.

**Subject:** revisor's bills

Mike,

Could you please have the following Revisor's bills jacketed for the Senate and sent to me up here?

LRB-0984/1

LRB-1773/1

LRB-2088/1

LRB 3288/1

LRB-1068/1

Senator Lazich and Rep. Grothman are going to introduce LRB-4346/1 on their own (the law revision committee didn't approve that draft). I talked to Marc Shovers, who drafted it, about doing that.

Thanks.

Rachel
