~~AN ACT relating to~~ amending s. 35.18 (1) to eliminate the requirement that the revisor print a list of numerical cross-references in the statutes to other parts of the statutes in each biennial issue of the Wisconsin statutes, (Revisor's Revision Bill).

*LRS ANALYSIS*

~~*Analysis by the Legislative Reference Bureau*~~

This bill is proposed under authority of s. 13.93 (1) (a) and (2) (j). The requirement in s. 35.18 (1) that the revisor print "a list of numerical cross-references in the statutes to other parts of the statutes" in each biennial issue of the Wisconsin statutes is eliminated as being obsolete and anachronistic in light of the current practice of regularly updating and publishing the table of cross-references in the statutes in electronic formats.

*LRS 1-2*

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

**SECTION 1.** 35.18 (1) of the statutes is amended to read:

35.18 (1) PUBLICATION. Biennially the revisor shall prepare and deliver to the department printer's copy for the Wisconsin statutes, which shall contain all the general statutes in force, all important joint resolutions adopted since the last preceding general session, an alphabetical index, ~~a list of numerical cross-references in the statutes to other parts of the statutes,~~ and such other matter as the revisor deems desirable and practicable. The department shall determine how many copies shall be printed.

Hi mom.

We will need you (LRB) to send copies of our completed Revisor's bills to Leg Council by tomorrow. Unjacketed. Send them to Nick Zavos. That would be LRB #s 0984/1, 1068/1, 1773/1, and 2088/1.

Maybe send them 5 or six copies of each, unless we hear from them that they want more.

Mike,

Could you please have the following Revisor's bills jacketed for the Senate and sent to me up here?

LRB-0984/1

LRB-1773/1

LRB-2088/1

LRB 3288/1

LRB-1068/1

Senator Lazich and Rep. Grothman are going to introduce LRB-4346/1 on their own (the law revision committee didn't approve that draft). I talked to Marc Shovers, who drafted it, about doing that.

Thanks.

Rachel
