Subject Damaging or destroying a flag		

Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits a person from destroying, damaging or mutilating the U.S flag when the actor knows that such action will result in violence or a breach of the peace. A misdemeanor penalty is created for the offense.

It is impossible to predict the number of violations that would occur if this bill is enacted. The additional caseload would require additional judge, court reporter, court staff and juror time to handle the proceedings. These costs are borne by both the state and the county but a significant impact upon circuit court operations is not expected.
