Subject Beginning date authorized for the hunting of antlerless deer in October		

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 25 would prohibit the Department of Natural Resources from promulgating a rule establishing a four-day antlerless deer hunt with a firearm (commonly referred to as a Zone T hunt) unless the rule requires that the hunt would begin on the Thursday that immediately precedes the last Friday in October. This legislation is not anticipated to have a fiscal impact, as this bill simply dictates when the special October Zone T antlerless hunt could occur and does not require additional expenditures nor does it create additional revenue for the Department.

Long-Range Fiscal Implications

None.
