## Assumptions Used in Arriving at Fiscal Estimate

DATCP does not have authority to enforce statutes 106 and 174.

This bill, if enacted, would probably result in a few phone calls to Client Assistant Program staff, regarding the provisions of the new law. Because the Client Assistance Program does not enforce these statutes, there would be no follow-up action after the call.

This bill would have no significant fiscal impact on DATCP.

## **Long-Range Fiscal Implications**

None.
