Assumptions Used in Arriving at Fiscal Estimate

This bill would require the Department of Corrections (DOC) to establish a period within which the department intends to approve or disapprove an application for a license to operate a secured child caring institution. If DOC then fails to provide the applicant with written notice that it has approved or disapproved the application, all fees paid by the applicant would be refunded.

DOC has never received an application for a license to operate a secured child caring institution, and does not anticipate that any applications will be received in the near future. Therefore, this bill would have no fiscal impact on DOC.
