LRB Number <b>03-0653/1</b>	Introduction Number <b>AB-511</b>	Estimate Type <b>Original</b>
<b>Subject</b> Bodily substances in edibles		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill extends the current statute that prohibits a person from placing a foreign object in candy or other edibles with the intent to cause bodily harm to another person. The bill prohibits a person from placing blood, saliva, urine, feces, or other bodily substances in candy or other edibles with the intent that another person would unknowingly consume the substances. Violation of the statute would be a Class A misdemeanor.

It is impossible to predict the number of additional cases that would be brought into the court system, but it does not appear to be significant. Any additional workload that may result would have to be absorbed by existing court staff.

**Long-Range Fiscal Implications**
