Assumptions Used in Arriving at Fiscal Estimate

This bill establishes a licensure procedure for pet breeders, pet dealers, kennels, and animal shelters. The bill provides criminal penalties for persons who operate without a required license and civil forfeitures for other violations of its provisions.

It is not known how many offenses might occur and how many contested court proceedings would be required under this bill. Additional court proceedings require judge, court reporter, court staff and juror time. These costs are borne by both the state and the county. An accurate estimate of the increased costs is impossible with existing data.
