**Assumptions Used in Arriving at Fiscal Estimate**

AB-668 makes various changes to Wisconsin's Unemployment Compensation Law. OCI does not see any effect on the regulatory activities of the agency that would create a state fiscal effect.

From that perspective, there does not appear to be an impact on local government that would result in a fiscal effect. This observation is in reference to insurance activities as described in Chapters 600-655 only and not in reference to unemployment insurance, which OCI has no regulatory authority or expertise.
