LRB Number 03-0508/1	Introduction Number AB-72	Estimate Type Original
Subject Providing alcohol beverages to underage persons		

Assumptions Used in Arriving at Fiscal Estimate

Present law provides a felony penalty for persons who provide alcohol beverages to a person under the age of 18 and who know that the minor is an underage person if the minor dies or suffers great bodily harm as a result of consuming the alcohol beverages. This bill expands that law to include underage persons who are 18, 19, and 20 years of age.

It is impossible to predict the number of additional felony violations that will occur involving 18, 19 and 20 years old persons. New felony offenses will require additional judge, court reporter, court staff and juror time. These costs are borne by both the state and the county but the exact amount cannot be estimated with the data available
