

Fiscal Estimate Narratives

COMM 4/10/2003

LRB Number 03-1420/1	Introduction Number AB-93	Estimate Type Original
Subject Alarm systems in retail gun stores		

Assumptions Used in Arriving at Fiscal Estimate

This bill would prohibit the sale of firearms to the public, unless the place of business where the firearms are offered for sale is equipped with an alarm system that meets certain requirements.

The bill does not indicate administrative or enforcement authority for the Department of Commerce. Therefore, there would be no fiscal impact on the Department of Commerce resulting from this bill. The bill indicates penalty authority for violation of the bill's requirements. This authority would likely be administered by local units of government. It is estimated that such activity would be minimal and could be absorbed within current resources.
